Hi Thomas,

Thank you for checking in. We are in the process of updating the affirmative action plan. We ran into some trouble with Ohio's vendor site, but as soon as that gets sorted out we will be able to submit it. I will keep you updated.

Best,

Hi, Cale,

Has Granicus been successful in submitting the affirmative action plan? If so, has the state sent you an updated unilateral renewal letter?

Thanks much....Tom

Hi, Cale,

What would be helpful is to have the attached document (or one similar) updated with the new dates - **7/1/19 through 6/30/21**. Can you please work with the State of Ohio to provide?

Thanks much....Tom

Hi Jessica,

We do anticipate renewing your contract for 7/1/19 through 6/30/21.

In my preliminary reviews of the paperwork, I see that your affirmative action plan has expired. These plans must be resubmitted annually to stay in compliance.

I have attached the last certification letter that we used last time to renew the contract.

Once I see that you have re-submitted your Affirmative Action plan, I will send you our unilateral renewal letter. We don't need an amendment unless you wish to change any of the terms or provisions aside from the renewal expiration date.

Please re-submit your Affirmative Action plan by visiting the link below.

Thanks.
