2. **What type of bidding process was used (ITB, RFP, RFSQ, Competitive Bid).**

Competitive Bids

3. **List the ranking and order of all bidders.**

U. S. Utility Contractor Co., Inc.
Jess Howard Electric Company
Xtreme Powerline Construction
American Lighting & Signalization
Complete General Construction
Thayer Power & Communication

4. **Complete address, contact name and phone number for the successful bidder only.**

U. S. Utility Contractor Co., Inc.
3115 East 17th Avenue
Columbus, OH 43219

Contact: J. Patrick McKeown, District Manager

5. **A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract.**

Phase 1 Street Light Maintenance Contract, 2011 consists of maintenance and repair of various components of street lighting circuits 27, 30, 35, 43, 72, 80, 119 and 127. The project includes replacement of overhead and underground conductors with associated materials, including but not limited to, lights, wire racks, spools, conductors, pins, fuse kits, necessary and any and all other materials necessary to restore street lighting circuits to meet City of Columbus most current specifications. The existing components on these circuits are old and deteriorated.

6. **A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.**

Anticipated pre-construction meeting is May 23, 2012.
Anticipated construction begin date is May 24, 2012.
Anticipated construction end date is November 19, 2012.

7. **A narrative discussing the economic impact or economic advantages of the project; community outreach or input in the development of the project; and any environmental factors or advantages of the project.**

Due to the age of the street lighting systems in these areas, frequent outages of lights occur. Repair of these circuits will enhance the safety of the residents and business owners and their property.

8. **An estimate of the full cost of the Contract including a separate estimate of any and all phases or proposed future contract modifications.**

This contract is for \$527,318.04.

9. **Sub-Consultants identified to work on this contract, their contract compliance no. & expiration date, and their status (NPO, MAJ, MBE, FBE, HL1, AS1, or MBR):**

<u>Name</u>	<u>C.C. No./Exp. Date</u>	<u>Status</u>
Not anticipated.		

10. **Scope of work for each subcontractor and their estimate of dollar value to be paid.**

N/A

Note: The Contract should be considered to include any and all work that is anticipated to be awarded to the company awarded the original contract throughout the contract/project timeline. This includes the original contract and any and all future anticipated modifications to the contract to complete the contract/project.
