## Marleen Kromer Bio

Marleen Kromer has lived in Columbus for thirty five years and has been a resident of Schumacher Place for thirty three of those years. Along with other residents, she was one of the founders of the Schumacher Place Civic Association. Due to concerns of high density in the neighborhood, she worked with the City of Columbus to rezone the neighborhood to R-2F. Ms. Kromer has served as an officer with the civic association and served as Chair of the Zoning Committee for many years. In addition to her civic association involvement, Marleen was an active parent volunteer with Columbus City Schools, including work with Diplomas Now and I know I Can.

Ms. Kromer is a graduate of The Ohio State University, with a BS & MS in Botany. Her career has included a long association with The Nature Conservancy and she currently she works for the ODNR analyzing and updating rare plant records in the Ohio Natural Heritage Database.
