## MEMO PROPOSAL

---

**Presented to:** Moez Chaabouni, Mark Freeman  
City of Columbus, Department of Technology  
**Regarding:** Mobile Applications Professional Services Proposal  
**From:** Jeff Harper and Ivan Harper, Co-Owners, eProximiti LLC  
**Date:** 5/27/2011

---

Greetings Gentlemen! And thanks again for including eProximiti LLC in your consideration for helping the City achieve its objectives in Mobile communications with residents and visitors. As you have seen by our special project work, mobile communication is one of the special talent and experience areas in which we excel, and we look forward to extending our efforts with the City.

We have reviewed the Professional Services Proposal specifications (SA003913) which were provided to us, and provide this email as assurance that we meet the requirements you are seeking for the tasks and projects under consideration.

Our pricing proposal which completes the format in section 5.A of the proposal is as follows:

<u>Item #</u>	<u>Est.Hrs</u>	<u>Classification Name</u>	<u>Unit Price</u>	<u>Extended Cost</u>
3.4.1	1,200	Mobile Apps Developer	\$79	\$ 94,800
3.4.2	200	Mobile Apps Project Mgr	\$89	17,800
3.4.3	400	Mobile Apps Business Systems Analyst	\$57	22,800
3.4.4	200	Mobile Apps Graphic Specialist	\$55	11,000
Total Estimated Annual Cost				\$146,400

Please let us know if you have any questions at all. We look forward to the opportunity of continuing our efforts with you and your team.

Respectfully submitted,

Jeff Harper, Principal  
eProximiti LLC
