Re: City of Columbus, Department of Public Utilities' Preliminary Intent to Enter into a WRRSP Sponsorship Agreement

January 6, 2015

Dear Mr. Spurbeck:

By this letter we are informing you of our preliminary intent to enter into a sponsorship agreement for the purpose of implementing the following Water Resource Restoration Sponsor Program (WRRSP) project: **Columbus Recreation and Parks Department's Clover Groff, Phase 3 WRRSP**

This project may be sponsored by The City of Columbus, Department of Public Utilities, and will be implemented by The City of Columbus, Department of Recreation and Parks. This project may be sponsored by one of the following loans contingent upon the City of Columbus' decision to fund these projects via the WPCLF program:

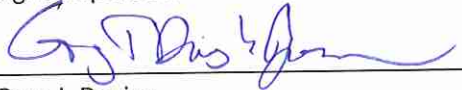

Blacklick Creek Sanitary Interceptor Sewer CIP# 650034-100006; WPCLF Loan Number CS390274-0183

OR

JPWWTP Biosolids Land Application Improvements CIP# 650243-100002; WPCLF Loan Number CS390274-0200

The City of Columbus Department of Public Utilities reserves the right to determine the funding source of its WPCLF-eligible projects on a case-by-case basis prior to the bidding of the projects. Should the WPCLF program be determined to be the best available funding source for the projects above, at the time of bid, and contingent upon the approval of City Council, we will be willing to avail either of them as a Sponsor Project for the Columbus Department of Recreation and Parks' Clover Groff Phase 3 WRRSP.

Signed Sponsor:

Greg J. Davies
Director
Columbus Department of Public Utilities

Date

1/6/15

Signed Implementer:

Alan McKnight
Director
Columbus Department of Recreation and Parks

Date

1/15/15
