

Justin Shaw Bio Information- 5XNWAC

I have lived in 5xNW since Fall 2011 - so 12 years.

I am interested in being involved to help shape the future of this neighborhood. There's a lot of population growth - and this neighborhood has seen more development over the years to help accommodate.

I work for JewishColumbus, the philanthropic hub for the Jewish community. I'm the Senior Dir. of Community Relations.

I'm a Commissioner on the City of Columbus Community Relations Commission
