Proposal for: CFN Conduit – Dempsey Rd

Submitted

November 3, 2010

*Columbus FiberNet
1366 Dublin Rd
Columbus, Ohio 43215*

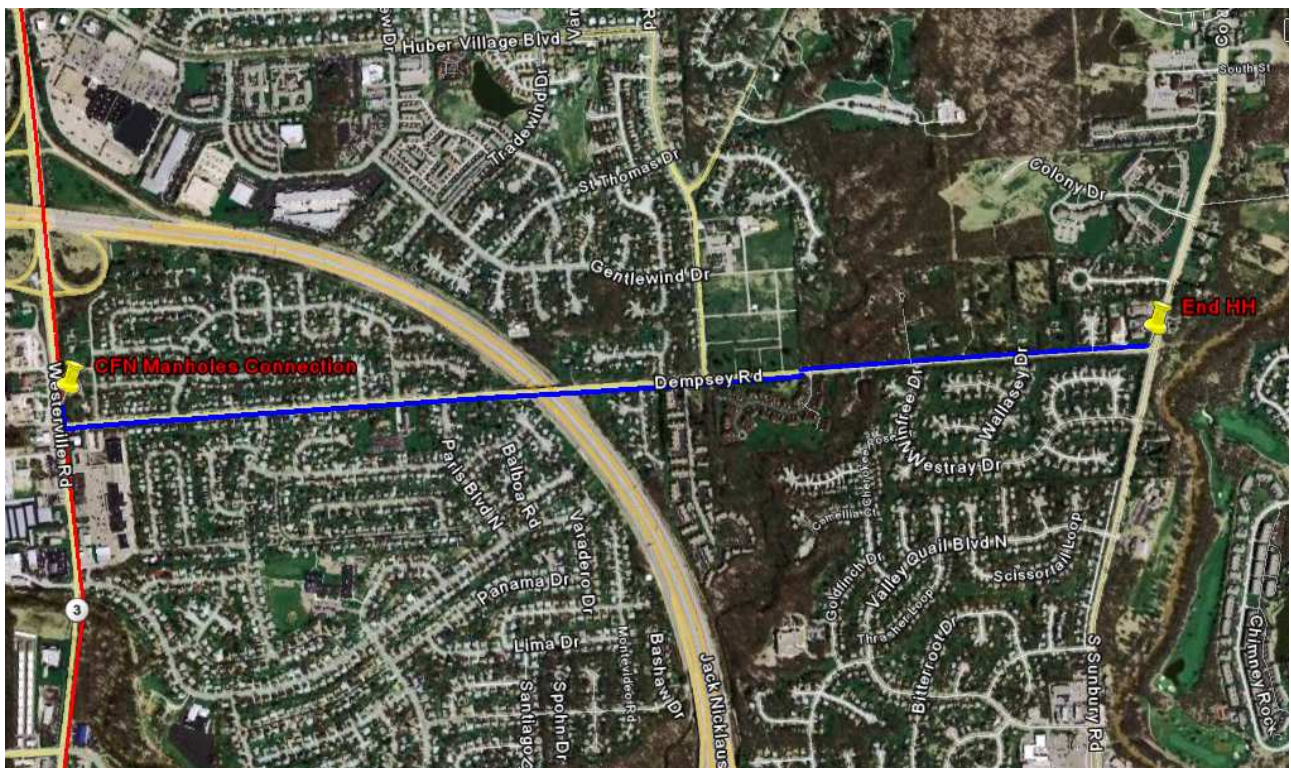

Executive Summary

Mr. Bill Rogers,

Thank you for your interest in this section of Columbus FiberNet. As I have mentioned, this section of CFN is not part of our original network, but was built a few years ago as an extension. This sale would include the following:

- 9600' LF of a single 1.25" conduit from the CFN manhole at the intersection of Dempsey & St. Rt. 3 to Dempsey & Sunbury Rd.
- There are a total of 10 handholes along the route, including the final tie-in location on the NW corner of Sunbury & Dempsey.
- Includes existing underground crossings of 1-270 and Spring Run Creek
- Complete as-built prints will be submitted at closing.

Sale Price: \$76,800.00

Notes:

- Price does not include fiber or fiber installation (please let me know if you would like this added)
- There is not ongoing maintenance fee for this section. Once contract is closed, Columbus will own the conduit and handholes outright and will be responsible to maintaining and protecting (OUPS) – again, this service can be added if needed.

Purchase Order and an executed and closed CFN sale agreement is required before use of conduit. If sales or use tax is applicable, the amount will be added to the final invoice. If you should have any questions or need additional information, please do not hesitate to call me at (614) 921-8602.

Confidential Information: This proposal and price information is confidential and proprietary, for use only by the City of Columbus and shall not be disclosed to others.

Thank you for the opportunity to be of service to the City of Columbus.
