HRSA Electronic Handbooks (EHBs) Registration Requirements

The Project Director of the grant (listed on this NoA) and the Authorizing Official of the grantee organization are required to register (if not already registered) within HRSA's Electronic Handbooks (EHBs). Registration within HRSA EHBs is required only once for each user for each organization they represent. To complete the registration quickly and efficiently we recommend that you note the 10-digit grant number from box 4b of this NoA. After you have completed the initial registration steps (i.e., created an individual account and associated it with the correct grantee organization record), be sure to add this grant to your portfolio. This registration in HRSA EHBs is required for submission of noncompeting continuation applications. In addition, you can also use HRSA EHBs to perform other activities such as updating addresses, updating email addresses and submitting certain deliverables electronically. Visit <https://grants3.hrsa.gov/2010/WebEPSEExternal/Interface/common/accesscontrol/login.aspx> to use the system. Additional help is available online and/or from the HRSA Call Center at 877-Go4-HRSA/877-464-4772.

Terms and Conditions

Failure to comply with the remarks, terms, conditions, or reporting requirements may result in a draw down restriction being placed on your Payment Management System account or denial of future funding.

Grant Specific Term(s)

1. By applying for or accepting federal funds from HHS, recipients certify compliance with all federal antidiscrimination laws and these requirements and that complying with those laws is a material condition of receiving federal funding streams. Recipients are responsible for ensuring subrecipients, contractors, and partners also comply.
2. Applicable Regulations – Prior to October 1, 2025, this award is subject to 45 CFR 75 except for eight flexibilities from 2 CFR 200 adopted by HHS on October 1, 2024, in Federal Register Notice 89 FR 80055. After October 1, 2025, this award will be subject to any applicable provisions of 2 CFR 200 and 2 CFR 300.
3. The Recipient hereby agrees that it will comply with Title VI of the Civil Rights Act of 1964, as amended (codified at 42 U.S.C. 2000d *et seq.*), and all requirements imposed by or pursuant to the Regulation of the Department of Health and Human Services (45 C.F.R. Part 80); Section 504 of the Rehabilitation Act of 1973, as amended (codified at 29 U.S.C. 794), and all requirements imposed by or pursuant to the Regulation of the Department of Health and Human Services (45 C.F.R. Part 84); Title IX of the Education Amendments of 1972, as amended (codified at 20 U.S.C. § 1681 *et seq.*), and all requirements imposed by or pursuant to the Regulation of the Department of Health and Human Services (45 C.F.R. Part **86**); The Age Discrimination Act of 1975, as amended (codified at 42 U.S.C. § 6101 *et seq.*), and all requirements imposed by or pursuant to the Regulation of the Department of Health and Human Services (45 C.F.R. Part 91); and Section 1557 of the Patient Protection and Affordable Care Act, as amended (codified at 42 U.S.C. § 18116), and all requirements imposed by or pursuant to the Regulation of the Department of Health and Human Services (45 CFR Part 92).
4. Any term or condition in this NOA, including those incorporated by reference, that HHS is enjoined by court order from imposing or enforcing shall not apply or be enforced as to any recipient or subrecipient to which that court order applies and while that court order is in effect.
5. Funding beyond this budget period is contingent upon the availability of appropriated funds for this program, recipient satisfactory performance, program authority, compliance with the Terms and Conditions of the award, and a decision that continued funding is in the best interest of the Federal government.
This award action is based on HRSA's approval of the recipient's application and any modifications at the time of this award. Continued support for this award may be subject to other programmatic considerations to the extent permitted by law, including, but not limited to, Administration priorities and court orders.
Should additional federal funds not be available and/or shifting priorities affect the programmatic objectives of this award, the recipient will work with HRSA to revise any workplan tasks and budget in accordance with 45 CFR 75.308 (Revision of budget and program plans).
6. This Notice of Award is issued based on HRSA's approval of the Non-Competing Continuation (NCC) Progress Report. All post-award requests, such as significant budget revisions or a change in scope, must be submitted as a Prior Approval action via the Electronic Handbooks (EHBs) and approved by HRSA prior to implementation. Grantees under "Expanded Authority," as noted in the Remarks section of the Notice of Award, have different prior approval requirements. See "Prior-Approval Requirements" in the DHHS Grants Policy Statement: <https://www.hhs.gov/sites/default/files/hhs-grants-policy-statement-october-2024.pdf>
7. Prior to October 1, 2025, this award is subject to the termination provisions at 45 CFR 75.372. Starting on October 1, 2025, this award is subject to the termination provisions at 2 CFR 200.340. Pursuant to 2 CFR 200.340, the recipient agrees by accepting this award that continued funding for the award is contingent upon the availability of appropriated funds, recipient satisfactory performance, compliance with the Terms and Conditions of the award, and to the extent authorized by law, a decision by the agency that the award continues to effectuate program goals or agency priorities.
8. By accepting this award, including the obligation, expenditure, or drawdown of award funds, recipients, whose programs are covered by Title IX, certify as follows:

- Recipient is compliant with Title IX of the Education Amendments of 1972, as amended, 20 U.S.C. §§ 1681 et seq., including the requirements set forth in Presidential Executive Order 14168 titled Defending Women From Gender Ideology Extremism and Restoring Biological Truth to the Federal Government, and Title VI of the Civil Rights Act of 1964, 42 U.S.C. §§ 2000d et seq., and Recipient will remain compliant for the duration of the Agreement.
- The above requirements are conditions of payment that go to the essence of the Agreement and are therefore material terms of the Agreement.
- Payments under the Agreement are predicated on compliance with the above requirements, and therefore Recipient is not eligible for funding under the Agreement or to retain any funding under the Agreement absent compliance with the above requirements.
- Recipient acknowledges that this certification reflects a change in the government's position regarding the materiality of the foregoing requirements and therefore any prior payment of similar claims does not reflect the materiality of the foregoing requirements to this Agreement.
- Recipient acknowledges that a knowing false statement relating to Recipient's compliance with the above requirements and/or eligibility for the Agreement may subject Recipient to liability under the False Claims Act, 31 U.S.C. § 3729, and/or criminal liability, including under 18 U.S.C. §§ 287 and 1001.

Program Specific Term(s)

1. In accordance with 2 CFR § 200.315(b), the recipient may copyright any work that is subject to copyright and was developed, or for which ownership was purchased, under an award. HRSA HAB reserves a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the work for Federal purposes, and to authorize others to do so.
2. Funding beyond this budget period is contingent upon the availability of appropriated funds for this program in subsequent fiscal years, recipient satisfactory performance, and a decision that continued funding is in the best interest of the Federal Government.
3. Unless otherwise specified, all Conditions and Reporting Requirements must be electronically submitted through the HRSA Electronic Handbooks (EHBs).
4. As required by the Federal Funding Accountability and Transparency Act of 2006 (Pub. L. 109–282), as amended by section 6202 of Public Law 110–252, recipients must report information for each subaward of \$30,000 or more in Federal funds and executive total compensation as outlined in Appendix A to 2 CFR Part 170 (<http://www.hrsa.gov/grants/ffata.html>). The FFATA reporting requirements apply for the duration of the project period and so include all subsequent award actions to aforementioned HRSA grants and cooperative agreement awards (e.g., Type 2 (competing continuation), Type 5 (non-competing continuation), etc.). Subawards to individuals are exempt from these requirements. For more information, visit: <http://www.hrsa.gov/grants/ffata.html>.
5. RWHAP funds may not be used to make cash payments to intended clients of RWHAP-funded services. This prohibition includes cash incentives and cash intended as payment for RWHAP services. Where direct provision of the service is not possible or effective, store gift cards, vouchers, coupons, or tickets that can be exchanged for a specific service or commodity (e.g., food or transportation) must be used. Store gift cards that can be redeemed at one merchant or an affiliated group of merchants for specific goods or services that further the goals and objectives of the RWHAP are also allowable as incentives for eligible program participants. Recipients are advised to administer voucher and store gift card programs in a manner which assures that they cannot be exchanged for cash or used for anything other than the allowable goods or services, and that systems are in place to account for disbursed vouchers and store gift cards. Note: General-use prepaid cards are considered “cash equivalent” and are therefore unallowable. Such cards generally bear the logo of a payment network, such as Visa, MasterCard, or American Express, and are accepted by any merchant that accepts those credit or debit cards as payment. Gift cards that are cobranded with the logo of a payment network and the logo of a merchant or affiliated group of merchants are general-use prepaid cards, not store gift cards, and therefore are also unallowable.
6. The recipient shall make all files, including captioning, audio descriptions, videos, tables, graphics/pictures, registration forms, presentations (both audio and video) or other types of proprietary format files – e.g., Adobe Portable Document Format (.pdf), Microsoft Office PowerPoint (.ppt) and Microsoft Excel (.xls), fully accessible to members of the public with disabilities. Technical and functional standards for accessibility are codified at 36 CFR Part 1194 and may be accessed through the Access Board's Web site at <http://www.access-board.gov>.
7. The recipient is required to establish and maintain a process for protecting client confidentiality throughout the project period. Client confidentiality requirements apply to all phases of the project.
8. If the recipient expends any of the Initiative award on the AIDS Drug Assistance Program (ADAP), it must comply with data reporting requirements of the ADAP Data Report (ADR) for those funds. Acceptance of this award indicates that you will comply with data requirements of the ADR and will mandate compliance by each of your contractors and subcontractors. The ADR captures information necessary to demonstrate program performance and accountability. Please refer to the [ADR Webpage](#) for more information.
9. HRSA is operating under a Continuing Resolution; therefore, this award provides partial funding based on the continuation of FY 2025 program requirements, funding levels, and specialized reporting requirements. Additions and revisions to these Terms and Conditions may be necessary once HRSA receives a final FY 2026 appropriations. A revised Notice of Award (NoA) will be issued to reflect any changes to

funding amounts, Terms and Conditions, and/or reporting requirements.

10. As outlined in Notice of Funding Opportunity HRSA-25-063, the only requirement for determining eligibility for EHE service provision is that the individual has a documented HIV diagnosis. HRSA expects that all new clients who are provided any services (whether EHE or RWHAP) in an EHE-funded jurisdiction will be counted as an EHE client.
11. Any recipients that collect rebates on ADAP medication purchases funded through EHE must adhere to outlined provisions in HRSA HAB PCN # 15-04: Utilization and Reporting of Pharmaceutical Rebates. See https://hab.hrsa.gov/sites/default/files/hab/Global/pcn_15-04_pharmaceutical_rebates.pdf
12. Funding will be provided in the form of cooperative agreement. A cooperative agreement, as opposed to a grant, is an award instrument of financial assistance where substantial involvement is anticipated between HRSA and the recipient during performance of the contemplated project. The recipient is expected to collaborate with HAB and its RWHAP recipients to achieve the expectations described in the program expectations section. Certain activities must be planned jointly and include HAB's input. HRSA HAB must be aware of all project activities in sufficient time to provide input and/or assistance. This substantial involvement is in addition to the usual monitoring and technical assistance provided under the cooperative agreement.

As a cooperative agreement, HRSA programmatic involvement will include:

- Providing the expertise of HRSA HAB personnel and other relevant resources to support the efforts of the initiative activities;
- Facilitating partnership and communication with other federal agencies, particularly CDC, to improve coordination efforts;
- Facilitating collaboration with the TAP and SCP to assist in the development, implementation, coordination, and integration of initiative activities;
- Participating in the design and direction of the strategies, interventions, tools, and processes to be established and implemented for accomplishing the goals of the cooperative agreement;
- Approving uses of funds outside of existing allowable RWHAP costs and service categories;
- Providing ongoing review of the establishment and implementation of activities and measures for accomplishing the goals of the cooperative agreement;
- Participating, as appropriate, in conference calls and meetings that are conducted during the project period of the cooperative agreement;
- Reviewing and concurring with all information products prior to dissemination; and
- Facilitating the dissemination of project findings, best practices, evaluation data, and other information developed as part of this project to the broader network of RWHAP recipients.

In collaboration with HRSA, the cooperative agreement recipient's responsibilities will include:

- Completing proposed initiative work plan activities within the five-year project period;
- Collaborating with HRSA on review of activities, procedures, and budget items, including timely communication with project officer;
- Developing and implementing a methodology, including proposed metrics, to measure the impact of proposed activities, as well as reporting on outcomes;
- Ensuring proposed activities are based on documented need, targeted for maximum impact on HIV care continuum outcomes, and designed to reach the identified target population(s);
- Coordinating the initiative activities with their existing RWHAP programs;
- Collaborating with CDC funded organizations, health centers, and other local and state government agencies on implementing initiative activities;
- Collaborating with the TAP and SCP on the development, implementation, coordination, and integration of initiative activities;
- Developing a sustainability plan to support successful activities following conclusion of the cooperative agreement;
- Modifying activities as necessary to ensure relevant outcomes for the project; and
- Participating in the dissemination of project findings, best practices, and lessons learned, including adherence to HRSA guidelines pertaining to acknowledgment and disclaimer on all products produced by HRSA award funds

13. Funds awarded for pharmaceuticals must only be spent to assist clients who have been determined not eligible for other pharmaceutical programs, especially the AIDS Drug Assistance Program and/or for drugs that are not on the State ADAP or Medicaid formulary.
14. Funds may not be used for payments for any item or service to the extent that payment has been made, or reasonably can be expected to be made, with respect to that item or service under any state compensation program, insurance policy, federal or state health benefits program or by an entity that provides health services on a prepaid basis (except for a program administered by or providing the services of the Indian Health Services).

In addition, funds may not be used for the following purposes:

- Cash payment to intended recipients of services.

- Clinical research.
 - International travel.
 - Construction (minor alterations and renovations to an existing facility to make it more suitable for the purposes of the award program are allowable with prior HRSA approval).
 - Syringe Services Programs (SSPs). Some aspects of SSPs are allowable with HRSA's prior approval and in compliance with HHS and HRSA policy.
 - Pre Exposure Prophylaxis (PrEP) medications and related medical services or Post-Exposure Prophylaxis (PEP), as the person using PrEP or PEP does not have HIV and therefore not eligible for HRSA HAB initiative funded medication.
15. The Ryan White HIV/AIDS Program (RWHAP) legislation requires, to the maximum extent practicable, that core medical and support services will be provided without regard to an individual's ability to pay, or to the current or past health condition of the individual to be served. Consequently, HRSA expects that RWHAP recipients and subrecipients utilize a grievance process, articulated in writing, to investigate complaints for denial of services.
 16. Resumes/CV for key personnel supported by this cooperative agreement and not named in the FY 2025 application must be submitted to the HRSA Grants Management Office through the EHB Prior Approval Portal for review prior to appointment to the project. This requirement also includes all key personnel hired due to vacancy, resignation, termination or attrition subsequent to the issue date on the Notice of Award.
 17. All recipients who are providing services under EHE that are available in the Medicaid State plan must have entered into a participation agreement under the State plan and be qualified to receive payments under such plan, or receive a waiver from this requirement.
 18. Recipients must submit an annual Non-Competing Continuation (NCC) Progress Report via the HRSA EHBs 90 days prior to the budget period end date. Submission and HRSA approval of this NCC Progress Report triggers the budget period renewal and release of subsequent year funds. The report demonstrates recipient progress on program-specific goals and collects core performance measurement data to measure the progress and impact of the project.
 19. This action reflects a new document number. Please refer to this number when contacting the Payment Management System or submitting drawdown requests. Reporting on the Federal Financial Report (FFR) SF-425 Federal Cash Transaction Report (FCTR) should reflect this number for all disbursements related to this project period.
 20. As a condition of accepting this award the recipient must adhere to all program policies and guidance governing the EHE program
 21. Recipients are required to track and report all program income on the annual Federal Financial Report. All program income earned must be used to further the objectives of the Ryan White HIV/AIDS Program. For additional information, see PCN #15-03 available online at <https://hab.hrsa.gov/program-grants-management/policy-notice-and-program-letters>.
 22. For all action steps that require input from the HAB Project Officer and other HAB staff, you must allow for at least a three (3) week response time for information, approval, planning, or technical assistance. Work plan tables must be adjusted to include the minimum response time for all relevant activities.
 23. As a condition of accepting this award the recipient must comply with data requirements of the RSR and will mandate compliance by each of your subrecipients. The RSR captures information necessary to demonstrate program performance and accountability. All EHE core service and support service providers are required to submit client-level data as instructed in the RSR manual. Please refer to the [RSR Webpage](#) for additional information.
 24. The Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards, 2 CFR § 200.332, requires recipients to monitor the activities of subrecipients to ensure funding is used only for authorized purposes, in compliance with federal statutes, regulations, and the terms and conditions of the subaward, as well as to ensure that performance goals are achieved. Recipients must ensure that drug rebates and program income earned as a result of the RWHAP award are used only for allowable activities and only for purposes of the RWHAP award. See section 2616(g) of the Public Health Service Act and 2 CFR 200.307(b). Therefore, recipients must monitor awards funded through drug rebates and/or program income.
 25. If applicable, recipients must submit the Tangible Personal Property Report (TPPR) (SF-428) and any related forms. The report must be submitted within 120 days after the project period ends. Recipients are required to report all equipment with an acquisition cost of \$10,000 or more per unit acquired by the recipient with award funds. TPPRs must be submitted electronically through HRSA EHBs.
 26. During each budget period, recipients must include in their program budget travel support for key recipient staff members (one staff member must be the program director or a designated representative) to attend meetings/conferences identified and approved by HRSA HAB as essential to EHE administration and implementation. HRSA HAB meetings may include, but are not limited to, the biennial National Ryan White Conference on HIV Care and Treatment, grant-specific Administrative Reverse Site Visits (ARSV), or targeted technical assistance events. Meetings may be up to 4 days and are generally held in the Washington, D.C. metropolitan area. If no essential meetings are held during the budget period, recipients can reallocate funds for other allowable grant expenses. Recipients must comply with 2 CFR Part 200.475 and all other applicable HHS and Federal policies governing travel supported under Federal assistance awards.

27. Funds may not be used by grantees or subcontractors for the purchase of vehicles without written approval from the Division of Grants Management Operations (DGMO).
