

2683 Via De La Valle #G111
Del Mar, CA 92014 USA

Dear Roger Heim,

January 15, 2015

Thank you for your consideration of the BOZ robot COFDM wireless upgraded communications system for your department in Columbus.

The COFDM communication system's cost, including parts and labor, is:

\$62,280

This offer is good for 180 days.

Please do not hesitate to contact me if you have any questions.

Thank you and regards,

Jon Magin
President
