Dear Mitch,

I am sorry I was not able to attend the groundbreaking for the Moody/Hall Neighborhood Policing Center, but I understand everything went well.

Given the transition in University leadership, I wanted to confirm in writing the University's financial commitment to the Neighborhood Policing Center. As we have previously agreed, the University is willing to increase its contribution to construction from the \$1.9 million provided for in the September 2006 Memorandum of Understanding to \$2.2 million, an increase of \$300,000. However, this additional funding is provided with the understanding that the University's commitment is set at this amount and delivering the project within the approved budget from this point forward is the responsibility of the City of Columbus. I have asked Kathy Dillow on my staff to work with whomever you designate to develop a revised MoU. Kathy can be reached at 292-6267 or Dillow.7@osu.edu.

We appreciate everything you and your colleagues have done and we look forward to continuing to work with you to make this a successful project.

Sincerely,

William J. Shkurti
