

Universal Road Reconstruction Fairwood Avenue to Progress Avenue

Description: The City of Columbus, Public Service Department, Transportation Division is engaged in the Universal Road Reconstruction project from Fairwood Avenue to Progress Avenue. The project reconstructs Universal Road and investigates the possibility of constructing sidewalks along this industrial roadway. The project length is approximately 2200 feet.

Project Benefits: This project will reconstruct Universal Road which has been experiencing severe deterioration; it will help retain businesses located in this industrial area.

Project Costs:

- Design: \$169,869.00
- Right-of-Way: \$20,000.00
- Construction: \$1.2 Million (Preliminary estimate)

Schedule (as of 5-8-07):

- Design: 6/20/2007 to 3/20/2007
- Right-of-Way: 3/20/2008 to 9/20/2008
- Construction: 4/15/2009 to 10/15/2009

Status: Design work will start approximately 1 month after legislation passes. Construction will begin after design has finished, the right-of-way acquired and funding is allocated.
