

**Watershed Misc. Imp's - Griggs Boat Launch Imp's**  
**CIP 690411-100009, CT No. 2222, TSS #904 – Renewal #1**

**Information to be included in all Legislation Renewing a Contract:**

- 1. The names, contract compliance no. & expiration date, location by City/State and status of all companies (NPO, MAJ, MBE, FBE, HL1, AS1, or MBR) submitting a competitive bid or submitting an RFP or RFSQ.**

<u>Name</u>	<u>C.C. No./Exp. Date</u>	<u>DAX #</u>	<u>City/State</u>	<u>Status</u>
Burgess & Niple ms consultants RMF Engineering Kabil Associates, Inc.	31-0885550 – 2/21/22	4425	Columbus, OH	MAJ

- 2. What type of bidding process was used (ITB, RFP, RFSQ, Competitive Bid).**  
Requests for Proposals (RFP's) were opened on December 22, 2017.

- 3. List the ranking and order of all bidders.**

1. Burgess & Niple
2. ms consultants
3. RMF Engineering
4. Kabil Associates, Inc.

- 4. Complete address, contact name, phone number, e-mail address, and original contract number for the successful bidder only.**

Burgess & Niple, Inc.  
5085 Reed Road, Columbus, Ohio 43220  
Roberta J. Cameruca, PE, (614) 459-2050, [Robbie.cameruca@burgessniple.com](mailto:Robbie.cameruca@burgessniple.com)  
Project Manager: Brian Tornes, P.E., Project Mgr., 614-459-2050, [brian.tornes@burgessniple.com](mailto:brian.tornes@burgessniple.com)  
PO115820

- 5. A description of work performed to date as part of the contract and a full description of work to be performed during any future phasing of the contract. The planning area should also be listed as well as any street or neighborhood names.**

Under the original agreement, Burgess & Niple provided the preliminary and detailed design services for the Griggs Boat Launch project. As indicated in the original authorizing legislation (Ord. #0595-2018) a renewal to the agreement would be needed for Engineering Services During Construction. Recreation and Parks will be legislating the construction project and an engineering agreement for Construction Administration / Construction Inspection services.

The Community Planning Area is “37 – West Scioto”.

**6. An updated contract timeline to contract completion.**

- a. The original agreement allowed for a total term of how many years? The original agreement provided for 17 months for preliminary and detailed design and bidding services and bid evaluation.
- b. Which year of the total term is this renewal for? This renewal is for Engineering Services During Construction. It is anticipated this phase will last 19 months.

**7. A narrative discussing the economic impact or economic advantages of the project; community outreach or input in the development of the project; and any environmental factors or advantages of the project.**

This project is to provide the City of Columbus, Department of Public Utilities (DPU), Division of Water (DOW) and Columbus Recreation & Parks Dept. with boat launch improvements at the Griggs Reservoir. Two boat launch facilities will be addressed, including removal and replacement of concrete ramps and removal and reuse (if possible) of wooden “courtesy” docks. This project will consider ADA access requirements, coordination with reservoir recreational activities, and potential improvements to reduce the amount of debris that accumulates on the ramps.

**8. A description of any and all renewals to date including the amounts of each modification and the Contract Number associated with any modification to date. (List each modification separately.)**

This is the first contract renewal for this project.

**9. A full description of the work to be performed as part of the proposed contract renewal. (Indicating the work to be a logical extension of the contract is not sufficient explanation.)**

As indicated in the original authorizing legislation (Ord. #0595-2018) this request is to renew the initial agreement to include Engineering Services During Construction

**10. An explanation of why the work to be performed as part of the contract renewal cannot be bid out. (Indicating the work to be a logical extension of the contract is not sufficient explanation.)**

This work is based on the Detailed Design prepared in the initial phase of this project. Bidding this work to potentially have a new consultant perform the work would delay the project, potentially require rework/duplication of effort, and would increase costs to the City.

**11. A cost summary to include the original contract amount, the cost of each renewal to date (list each renewal separately), the cost of the modification being requested in the legislation, the estimated cost of any future known modifications and a total estimate of the contract cost.**

Original Contract (PO115820) Detailed Design:	\$383,600.00
Engineering Services During Construction – (Renewal #1) (current):	\$105,000.00
Estimated Contract Total	\$488,600.00

**12. An explanation of how the cost of the renewal was determined.**

The Consultant prepared a detailed estimate of cost per task for detailed scope of work, broken down by project task. City Project management staff reviewed and approved these cost summaries.
