**Re: Bid Recommendation for Yard Waste and Log Grinding Services- SA004885**

Please find included the bid tabulation for Yard Waste and Log Grinding Services at the Compost Facility. One bid was received from Madden Brothers, Inc.

Bidder Name	Item 1- Unit Price Grinding Yard Waste and Wood waste	Item 2- Sizing and Grinding Logs	Item 3- North Storm Cleanup	Item 4- South Storm Cleanup	Total Bid
Madden Bros., Inc	\$2.70/cubic yard	\$6.75/cubic yard	\$115/ton	\$115/ton	<b>\$112,050.00</b>

Madden Brothers also submitted a copy of a current Mobile Air Permit as required in Section 6.1.1 (e). The Division recommends this bid be awarded to Madden Brothers, Inc. with a budgeted amount of **\$120,000**.

The budgeted amount above the actual bid value is due to unknown volumes of "Storm Cleanup" that could be utilized by Madden Brothers. In 2011 and 2012 an average of \$108,943 per year was spent on this contract.

Please contact me if you have any questions or need additional information.
