RE: Lawson Software

To Whom It May Concern:

This will confirm that Lawson Software, Inc., now known as Infor (US), Inc., is the sole source in the United States of support for the Lawson software as described in Invoice # P-105737-US0AB for the City of Columbus, Ohio. Infor is the developer of the Lawson software and owns proprietary rights thereto. Currently, there are no Infor-certified third party providers of services and maintenance for the Lawson software.
