Tom,

PT definitely wants to do the Pride Resolution again this year. With regard to the bio, she served on the Civil Service Commission from 1993 to 2006. She served as President during the last five years until she accepted a seat on Columbus City Council.

Hello Priscilla and Carl,

LatinoFest is this weekend. Also, I mentioned to Mark about getting a resolution together for the Pride Festival. Have you been approached about sponsoring this resolution? If not and if you are able, I will make some calls. Also, is all good to go with the updated bio?

Thanks much, and hope all is well...Tom
