ORD #3323-2021

Projects under Modification No. 7 include:

- Division of Sewerage and Drainage, Barnett/ E. Deshler HSTS Elimination Project, CIP No. 650895-100005, Community Planning Area = 57 – Mid East, \$168,338.34
- Division of Water, Homestead Dr. Area Water Line Improvements, CIP No. 690236-100105, Community Planning Area = 40 – North Linden, \$486,469.22
- Division of Water, Westgate West Tank Footer Repairs and Valve House Demolition, CIP No. 690473-100016, Community Planning Area =58 – Far East, \$45,958.71

6. An updated contract timeline to contract completion.

*For CA/CI agreements:

- a. The original agreement allowed for work is to be completed within the timeframe established by the individual construction contracts.
- b. The expiration date of this agreement is also to be completed within the timeframe established by the individual construction contracts.

7. A narrative discussing the economic impact or economic advantages of the project; community outreach or input in the development of the project; and any environmental factors or advantages of the project.

Division of Sewerage and Drainage projects include rehabilitation of existing sewers, repair to existing sewers, construction of new sewers, and construction of green infrastructure. The majority of the projects will reduce inflow and infiltration to the City’s sanitary sewer system thus mitigating sanitary sewer overflows to basements and waterways. Other projects provide improvement to existing storm infrastructure to mitigate drainage/flooding issues.

Division of Water projects include replacement or rehabilitation of water lines that have a high break frequency. Replacement of these water lines will improve water service, decrease burden on water maintenance operations, and reduce water loss.

Other projects provide improvements to elevated water storage tanks and booster pump stations that are part of the water distribution system.

The Neighborhood Liaison(s) will be contacted and informed of this project during the design phase. Further community outreach may result through the Neighborhood Liaison Program.

8. A description of any and all modifications to date including the amounts of each modification and the Contract Number associated with any modification to date. (List each modification separately.)

This is a multiyear contract that will be modified as required to provide construction administration/inspection services for construction projects that bid during the three year (2020-2022) timeframe.
