- 5. A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract. The planning area should also be listed as well as any street or neighborhood names.**

Work performed within this contract will take place in the Northwest Planning Area on Meekynn Drive and Olentangy River Road. A storm sewer will be constructed along Meeklynn Road that outlets to Kempton Run on Olentangy River Road. A sanitary sewer will be constructed to serve the residents of Meeklynn Road, outletting to an existing sanitary sewer in the Haley Hollow neighborhood on the east side of Olentangy River Road.

- 6. A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.**

**\*For construction contracts:**

Contract work is required to be completed in a manner acceptable to the City within 365 days from the date that a Notice To Proceed (NTP) is given by the City.

- 7. A narrative discussing the economic impact or economic advantages of the project; community outreach or input in the development of the project; and any environmental factors or advantages of the project.**

The sanitary portion of this project will extend over 3,200 feet of sanitary sewer service on Meeklynn Drive to serve the developed area that is currently served by home treatment systems. This project will eliminate the home treatment systems due to the potential ground water pollution hazard to the Olentangy River.

The storm sewer project will mitigate street and reduce roadside drainage issues.

**8. An estimate of the full cost of the Contract including a separate estimate of any and all phases or proposed future contract modifications.**

The bid amount and proposed award amount is \$2,147,586.00, including a 20% construction contingency amount that will be utilized to fund needed and approved changes in the work. No contract modifications are anticipated at this time; however, construction exigency might later compel modification of this contract, if unforeseen difficulties are encountered.

Cost summary:

Original Contract	\$2,147,586.00
Future Anticipated Needs	<u>\$0.00</u>
CONTRACT TOTAL	\$2,147,586.00

**9. Subconsultant information**
