

Information to be included in all Legislation authorizing entering into a Contract:

- 1. The names, contract compliance no. & expiration date, location by City/State and status of all companies (NPO, MAJ, MBE, FBE, HL1, AS1, or MBR) submitting a competitive bid or submitting an RFP or RFSQ.**

<u>Name</u>	<u>C.C. No./Exp. Date</u>	<u>City/State</u>	<u>Status</u>
BLD Services	019505 11/10/2023	Kenner, LA	MAJ

- 2. What type of bidding process was used (ITB, RFP, RFSQ, Competitive Bid).**

Competitive Bid were opened on 8/31/22.

- 3. List the ranking and order of all bidders.**

1. BLD Services, LLC

- 4. Complete address, contact name, phone number, and e-mail address for the successful bidder only.**

Jacob Trapani
2424 Tyler Street
Kenner, LA 70063
(514) 466-1344
jacob@bdlc.net

- 5. A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract. The planning area should also be listed as well as any street or neighborhood names.**

Planning Area – 40 North Linden

This project involves lining sanitary laterals using Cured-In-Place Pipe (CIPP) technology and redirection of roof laterals to prevent excess stormwater from entering the City's sanitary sewer system. No future phases are expected at this time.

- 6. A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.**

All work shall be substantially complete within 450 calendar days of the Notice to Proceed, with final completion to occur within 540 calendar days. The City anticipates issuing a Notice to proceed on or about December 12th, 2022.

- 7. A narrative discussing the economic impact or economic advantages of the project; community outreach or input in the development of the project; and any environmental factors or advantages of the project.**

This project is a Consent Order project and is an improvement identified in the Integrated Plan and 2015 WWMP Update Report. The project is needed to mitigate water in basement events and sanitary sewer overflows to the goal of a 10 year Level of Service (LOS). Public meetings were conducted to solicit public input regarding the project, and descriptions of the work associated with this project were included on the City of Columbus website.

8. An estimate of the full cost of the Contract including a separate estimate of any and all phases or proposed future contract modifications.

The bid amount and proposed award amount is \$6,990,512.10, including a 10% construction contingency amount that will be utilized to fund needed and approved changes in the work. No contract modifications are anticipated at this time; however, construction exigency might later compel modification of this contract, if unforeseen difficulties are encountered.

Cost summary:

Original Contract	\$	6,990,512.10
Future Anticipated Needs	\$	<u>0.00</u>
CONTRACT TOTAL	\$	6,990,512.10

9. Subconsultant information

N/A

8. A description of any and all modifications to date including the amounts of each modification and the Contract Number associated with any modification to date. (List each modification separately.)

9. A full description of the work to be performed as part of the proposed contract modification. (Indicating the work to be a logical extension of the contract is not sufficient explanation.)

10. If the contract modification was not anticipated and explained in the original contract legislation a full explanation as to the reasons the work could not have been anticipated is required. (Changed or field conditions is not sufficient explanation. Describe in full the changed conditions that require modification of the contract scope and amount.)

11. An explanation of why the work to be performed as part of the contract modification cannot be bid out. (Indicating the work to be a logical extension of the contract is not sufficient explanation.)

12. A cost summary to include the original contract amount, the cost of each modification to date (list each modification separately), the cost of the modification being requested in the legislation, the estimated cost of any future known modifications and a total estimate of the contract cost.

13. An explanation of how the cost of the modification was determined.

14. Subconsultant information

***For engineering agreements:**

Information regarding subconsultants should be submitted on the Subcontractor Work Identification Form Located on the Fiscal Intranet site under “DPU Fiscal Forms” (see link): <http://dpuweb/DPUFiscal/tabid/148/Default.aspx>

This form should have sub-Consultants identified to work on this contract, their contract compliance no. & expiration date, and their status (NPO, MAJ, MBE, FBE, HL1, AS1, or MBR), name, C.C. No./Exp. Date, status, brief Scope of work for each subcontractor, and their estimate of dollar value to be paid.
