Chris Cozad

Employment

President

1982 - Present Alternative Auto Care, Inc. Columbus, Ohio

- Founded woman owned and operated auto repair shop as one-womyn-with tools operation, working on the street. Developed business into a 4 bay full service auto repair facility that employs 3 - 4 people year round. As part of commitment to developing women in non-traditional jobs, 95% of these positions have been filled by women over the course of the 20 years of continuous operation of the business. A significant portion of these women have been untrained upon employment and have learned the trade while working at Alternative Auto Care.

Adjunct Instructor Automotive Technology

2002 - Present Columbus State Community College Columbus, Ohio

- Teach Automotive Shop Operations and Principals course to entry level automotive technology majors. One of two prerequisite courses for all other courses in department. Includes overview of all automotive systems and extensive lab work. Students will be able to complete all required services for a standard 30,000 mile maintenance check up upon completion of the course. Responsible for curriculum, labs, quizzes, tests and all administrative functions for the course.

Consultant - Fundraising and Organizational Development

2002 - 2006 JSM Consulting Group, Inc. Canton, Ohio

- Provide fundraising and organizational development training to non-profit organizations. Includes development planning, board / staff relationships and roles, and board development. Special emphasis on starting new organizations or expanding small community based organizations.
