EXPLANATION OF LEGISLATION

BACKGROUND: This legislation authorizes a contract for consulting services for individuals assisting in the Night Prosecutor Program which is an ongoing program providing much needed counseling and mediation services to the community. Competitive bidding is being waived since this is an extension of funding for a unique and innovative program which council has taken to support after original grant funding expired. Emergency action is requested since no other source of funding is available to continue services.

FISCAL IMPACT: This is a budget expenditure from the General Fund.
