

Ord No.

Information to be included in all Legislation authorizing entering into a Contract:

1. **The names, contract compliance no. & expiration date, location by City/State and status of all companies (NPO, MAJ, MBE, FBE, HL1, AS1, or MBR) submitting a competitive bid or submitting an RFP or RFSQ.**

<u>Name</u>	<u>C.C. No./Exp. Date</u>	<u>City/State</u>	<u>Status</u>
Danbert, Inc.			
Facemyer Company			

2. **What type of bidding process was used (ITB, RFP, RFSQ, Competitive Bid).**

*For construction: Competitive Bid

3. **List the ranking and order of all bidders.**

1. Danbert, Inc.
2. Facemyer Company

4. **Complete address, contact name, phone number, and e-mail address for the successful bidder only.**

5. **A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract. The planning area should also be listed as well as any street or neighborhood names.**

Planning Area – Hilltop

This project consists of constructing bioretention basins/rain gardens within the Right-of-Way and on City owned properties in the Hilltop/Westgate area to store and treat storm water runoff as part of the City of Columbus's Wet Weather Integrated Plan mandated by the Ohio Environmental Protection Agency.

6. **A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.**

Substantial completion is required to be completed in a manner acceptable to the City within 365 days from the date that a Notice To Proceed (NTP) is given by the City. Final completion shall be completed by October 1, 2025.

7. **A narrative discussing the economic impact or economic advantages of the project; community outreach or input in the development of the project; and any environmental factors or advantages of the project.**

This project will capture and treat non-point source storm water runoff using local contractors in order to improve water quality within the receiving streams. Several public meetings were conducted to incorporate stakeholder input in to the project design.

8. **An estimate of the full cost of the Contract including a separate estimate of any and all phases or proposed future contract modifications.**

The bid amount and proposed award amount is \$7,111,031.96, including a 20% construction contingency amount that will be utilized to fund needed and approved changes in the work.

No contract modifications are anticipated at this time; however, construction exigency might later compel modification of this contract, if unforeseen difficulties are encountered.

Cost summary:

Original Contract	\$7,111,031.96
Future Anticipated Needs	<u>\$ 0.00</u>
CONTRACT TOTAL	\$7,111,031.96

9. Subconsultant information

***For engineering agreements:**

Information regarding subconsultants see the Subcontractor Work Identification Form.
