Lela,

Street Maintenance would like to purchase a total of eight (8) F350 Ext. Cab Trucks. These trucks will replace aging units and be one-for-one trade-ins. I will have the BT#'s of the turn ins when we receive deliver of the new units. These trucks will also be getting upfitted for snow removal equipment after we receive them as part of a separate bid.

Let me know if there is anything else you need. Thanks.
