Bio

My wife and I have raised four children and lived in the same house, 2517 Bethesda Avenue for over 35 years in lovely Brittany Hills. I was President of the Brittany Hills Civic Association for over 15 years. I have also been a member of North Central Area Commission for 15 years. Along with the Brittany Hills community, the Mayor's Office, and City Council, I was instrumental in getting over 200 homes soundproofed by Port Columbus Airport and the FAA. I am still actively lobbying the airport to include all residents of Brittany Hills community for sound insulation, which all our community deserves. Under my presidency we united the community in reducing crack and crime in the community and surrounding area. Want to be a commissioner to make a better quality of life and a safe environment for the residents of Brittany Hills and surrounding areas.
