RE: Appointment to the Board of Review of Electrical Contractors

Director Safford,

It is my pleasure to submit a resume from William Teaforde for the open position of the above Board of Review. William (Skip) has an extensive background in the electrical industry spanning many years. Skip has also volunteered numerous hours over the years with organizations such as, Christmas In April (Rebuilding Together), Fantasy of Lights for Easter Seals, One New Toy Program and Support our Soldiers Columbus. I think he would be an excellent candidate to fill this position. The position is for a Journeyperson working under a bargaining agreement.

Respectfully,

Gerald A. Tudor, Secretary, Board of Review of Electrical Contractors
