3. **A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract.**

The project provides for general rehabilitation of the area distribution system and includes construction of new water mains, abandoning existing water mains, and transferring water services on Case Road and Lehner Road. The purpose of the project is to improve flow and water quality and replace water mains that require repeated regular maintenance. Work on Case Road will include construction of a 6" water main from Estates Place to Walford Avenue, abandoning an existing 6" water main, and transferring water services. Work on Lehner Road will include constructing an 8" water main from Dresden Street to Cleveland Avenue, abandoning the existing 6" main, and transferring water services.

4. **A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.**

Contract completion shall be within 270 calendar days after the date of the Notice to Proceed. The work on Lehner (within the limits of the Clinton Township project) will be completed within 60 calendar days after the Notice to Proceed. Assuming the NTP is issued by January 15, 2008 than the contract completion would be October 15, 2008.

5. **An estimate of the full cost of the Contract including a separate estimate of any and all phases or proposed future contract modifications.**
