The status, Majority, MBE or FBE, of all companies bidding, or submitting an RFP or RFSQ

All Majority

A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract.

Work includes preparation of design report, construction documents (plans and specifications), and fielding technical questions during construction.

A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.

Construction documents preparation will be completed by January 2009. Construction is anticipated for 2009. Engineer services will be completed with the completion of record plans. Water, Electricity and Transportation will reimburse DOSD for their share of cost.

An estimate of the full estimated cost of the Contract including a separate estimate of any and all phases or proposed future contract modifications.

\$1,935,175.16

Note: The Contract should be considered to include any and all work that is anticipated to be awarded to the company awarded the original contract throughout the contract/project timeline. This includes the original contract and any and all future anticipated modifications to the contract to complete the contract/project.
