Attn: Battalion Chief Robert Babb

Dear Bat. Chief. Babb:

Thank you for your interest in purchasing the items in the following price quote. Exclusively, ALCO Machine manufactures the Forcible Entry Machine and Calibration Unit. CPAT Distribution, Inc. is the sole manufacturer of the Portable Stand for the Forcible Entry Machine, the Practice Forcible Entry Machine, Practice Ceiling Breach & Pull Machine, Search Maze, and the CPAT Equipment Trailer. ADF Steel, Inc. is the sole manufacturer of the "Molitor" Ceiling Breach & Pull Prop, the Ladder Raise and Ladder Extension Prop Brackets. CPAT Distribution, Inc. is the sole distributor of the above named products. All products are manufactured to the specifications of the IAFF/IAFC Fire Service Joint Labor Management Candidate Physical Ability Test.

A forklift will be needed to off-load some of these items when they arrive at your location.

We are pleased to pass on discounted prices to you as we have purchased in large quantities to satisfy the increased demand in our products. The products we sell are a package price and we are the sole distributor of the items sold as a kit. Your order will be put into production upon receipt of a purchase order and tax-exempt status.

At this time we are anticipating an approximate 12 to 16 week delivery date from the date of your order. Some items arrive individually. **Due to the constant changes in both prices and shipping costs, this quote can only remain valid for 30 days.**

Please understand that your test date should not be calculated based on an approximate delivery date. You need to let CPAT Distribution know if you need it earlier because of a test date. It is important to note that CPAT Distribution, Inc. will progress bill invoices when applicable. CPAT doesn't supply 3rd party shipping information. You are liable to pay according to our shipping charges on the invoice. And that invoices are due on or before 30 days of invoice date. Late charges will accrue at 1.5% after 30 days. **When ordering please sign this letter and fax back acknowledging this paragraph. Thank you.**

If I can answer any questions or concerns, please contact me at the numbers listed above or you may also email me at cpatdistribution@yahoo.com.

I look forward to doing business with you.

Sincerely,

Patricia Alvarez
Manager
