
**CITY OF COLUMBUS - BID WAIVER INFORMATION FORM
TO ACCOMPANY LEGISLATION WHICH WAIVES ANY PROVISIONS OF
COLUMBUS CITY CODES CHAPTER 329
(PLEASE LIMIT YOUR RESPONSE TO THIS SHEET)**

1. In accordance with section 329.27 of the Columbus City Code, City Council may determine that the City's best interest is served by waiving the City Code Formal Bid procedures for the following reason(s): (Note that these reasons are all based on time. Currently, formal bid average completion time is 160 calendar days.)

- ☐ An unanticipated breakdown created an unplanned, emergency need.
- ☐ The item to be purchased is of a perishable nature, the price or availability will perish before the formal bid process can be completed.
- ☒ Need to extend an existing contract for one year or more where no provision for extension was included in the original bid/contract.
- ☒ Need to increase a contract for additional supplies/services, although the original contract obligations have been fulfilled.
- ☐ A new law or regulation requires immediate compliance; there is insufficient time to accomplish formal competitive bidding and satisfy the needs in order to comply.
- ☒ Other: There is not enough time to obtain formally advertised, competitive sealed bids to satisfy the needs because: Because eProximiti has specific knowledge of the MyColumbus mobile application, it is not in the City's best interest to award a contract to a different vendor, as this would significantly slow the application development process and increase costs.

2. Informal bid procedure used: ☐ Yes ☒ No Explain:

Formal bid SA003913 was an effort to identify a vendor using competitive procurement process. No bid was used for this modification.

3. Informal bids received and prices for each:

eProximiti-\$146,505.00 (contract modification amount); The vendor eProximiti LLC has agreed via written documentation to maintain the cost rates/charges as agreed upon in the original agreement, and will maintain these rates throughout the extended term period through July 24, 2013. The cost rates/charges are as follows:

Item #	Est.Hrs	Classification	Name	Unit Price	Extended Cost
3.4.1	1200	Mobile Apps	Developer	\$ 79 =	\$ 94,800
3.4.1	165	Mobile Apps	Project Manager	\$ 89 =	\$14,685
3.4.3	360	Business Systems	Analyst	\$ 57 =	\$20,520
3.4.4	300	Graphic Specialist		\$ 55 =	\$16,500
Total Project Cost				\$	146,505

4. If lowest bid was not accepted, Explain:
