

June 26, 2014

TO: Gary R. Cavin, Director and CIO, Department of Technology

From: Bill Rogers, Network Infrastructure Manager

SUBJECT: Award of SA005426, SA005427, SA005429, and SA005430 Fiber Construction bids

The Department of Technology (DoT), through utilization of an Invitation to Bid process, received 2 bids in response to SA005426 (Fire 3) and SA005427 (E Franklinton) for fiber construction for the City's Metronet network. The Department of Technology has reviewed the proposals received, and is recommending that award be made to Gudenkauf Corp., the lowest, responsive bidder for both solicitations. Bid SA005429 (Woodrow Ave) and SA005430 (Cross-connect fiber pedestal) received one bid response and is recommending that award be made to Gudenkauf Corp., the lowest, responsive bidder for both solicitations. Gudenkauf Corp. was the lowest responsive bidder for all four solicitations.

Gudenkauf Corp. has a customer base that includes the City of Columbus. The Department of Technology is confident that Gudenkauf Corp. can effectively provide the City with fiber construction services.

If you have any questions please contact Bill Rogers, at 645-0776.

CC: Gwendolyn Akrobettoe, Assistant Director, Department of Technology

Jim Bodi, Deputy Director, Department of Technology
