George J. Igel & Co., Inc.
2040 Alum Creek Drive
Columbus, Ohio 43207
Matthew J. Check, Chief Estimator, (614) 445-8421 x112, matt.check@igelco.com
John B. Igel, President

5. **A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract.**

Furnishing all labor, materials, equipment, and incidentals as specified, and required to remove and dispose of fallen trees, brush and debris; perform limited excavation of the river bank to meet lines and grades; place and anchor geogrid and filter fabric; remove a portion of an existing 3" iron pipe drain; place and grout approximately 25 cubic yards of riprap; seed and mulch disturbed areas, and other such work as may be necessary to complete the contract in accordance with the plans and specifications set forth in the Bid Submittal Documents.

6. **A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.**

Work under this contract shall be completed within 30 calendar days after the NTP is issued.

7. **A narrative discussing the economic impact or economic advantages of the project; community outreach or input in the development of the project; and any environmental factors or advantages of the project.**

This construction project will remediate the riverbank erosion resulting from the drainage from PAWP Collector Well 103 and thereby stabilize the riverbank and ensure the stability of the Collector Well 103 facility. Collector Well 103 is one of the water supply wells for Parsons Avenue Water Plant and ensuring the stability this facility will help to ensure an adequate and safe supply of drinking water which is essential to economic growth and development. There was no community outreach or input in the development of this project. Remediating the riverbank erosion will avoid eroding material from entering the water which is an environmental best management practice.

8. **An estimate of the full cost of the Contract including a separate estimate of any and all phases or proposed future contract modifications.**

\$45,941.35 – construction contract with George J. Igel & Co., Inc.
