**CITY OF COLUMBUS - BID WAIVER INFORMATION FORM  
TO ACCOMPANY LEGISLATION WHICH WAIVES ANY PROVISIONS OF  
COLUMBUS CITY CODES CHAPTER 329  
(PLEASE LIMIT YOUR RESPONSE TO THIS SHEET)**

---

1. In accordance with section 329.27 of the Columbus City Code, City Council may determine that the City's best interest is served by waiving the City Code Formal Bid procedures for the following reason(s): (Note that these reasons are all based on time. Currently, formal bid average completion time is 160 calendar days.)

- ☐ An unanticipated breakdown created an unplanned, emergency need.
- ☐ The item to be purchased is of a perishable nature, the price or availability will perish before the formal bid process can be completed.
- ☐ Need to extend an existing contract for one year or more where no provision for extension was included in the original bid/contract.
- ☐ Need to increase a contract for additional supplies/services, although the original contract obligations have been fulfilled.
- ☐ A new law or regulation requires immediate compliance; there is insufficient time to accomplish formal competitive bidding and satisfy the needs in order to comply.
- ☒ Other: There is not enough time to obtain formally advertised, competitive sealed bids to satisfy the needs because: The consultant (GPD) is under contract with ODOT providing consulting and design work on Phase 4A of the I70/I71 – Livingston Avenue project which will modify traffic on Livingston Avenue. The city desires to use this opportunity to convert Livingston Avenue to two-way traffic from Front Street to Fourth Street and implement other improvements. The project design must be coordinated with ODOT's design. The consultant's knowledge of the ODOT project and how that project impacts this City project saves the time and expense of a knowledge transfer between consultants and allows the project to be completed within the timeframe available to do the design.
