Dear Mr. Vonville,

Asysco would like to thank you for your business and continued confidence in our solutions. Please know that Asysco strives to improve every aspect of our service to you. Keeping the City of Columbus Department of Technology informed of changes is one of those ways to service you.

In accordance with original agreement, we are notifying you of an increase to your annual licensing maintenance of 1%. This increase will take effect in March 2017 and is reflected in your next invoice for licensing. The current license for this software expires on March 14, 2017. This renewal is for the license period of March 15, 2017 through March 14, 2018. Time is currently of the essence for this renewal to ensure no lapse of licensing for this software.

Also, please note our new address below. We've "migrated" the office from Florida to Georgia. If you would like to discuss this license renewal, please feel free to contact our office.

Best regards,

Asysco, Inc.
