RE: Reappointment to the Italian Village Commission

Dear Randy,

In response to your e-mail, I am confirming that I would be honored to continuing to serve on the Italian Village Commission for another three year term.

While my employment status has changed, I find that I would still able to commit to attending both regularly scheduled Business Meetings and Commission Meetings as I have since 2004.

Attached, please find an updated resume for me.

Sincerely,

David F. Cooke
