Re: Chester Engineers (Ohio), Inc. - Name Change and New Certificate of Authorization

Dear Ms. Dodge,

Please note that our company Chester Engineers (Ohio), Inc. recently changed its name to Hatch Chester (Ohio), Inc. and amended its articles of incorporation accordingly. As such and as a result thereof, I believe we are required to file a new application for a Certificate of Authorization to be issued for Hatch Chester (Ohio) Inc., to continue to practice engineering in Ohio. In that regard, I enclose the following for your review and consideration:

- (1) A notarized Certificate of Authorization for Hatch Chester (Ohio) Inc.
- (2) A separate notarized Firm Affidavit of Responsibility for the following professional engineers in our Columbus, Ohio office: Hasan Alkhayri, Roger Harris, Matt Kiefer, Burt Otani and Joshua Brooks.
- (3) A filing receipt from the State of Ohio, Office of the Secretary of State (John Husted) confirming the name change and listing the active charter/registration number of 1513231.
- (4) Check No. 140 in the amount of \$50 as the requisite application fee.
- (5) A list of the Directors and Officers of Hatch Chester (Ohio) Inc.

As such, and by way of this letter and the accompanying documents, we respectfully request a new Certificate of Authority be issued for Hatch Chester (Ohio) Inc at the earliest convenience of the Board.

Your cooperation in processing this application as expeditiously as possible would be most appreciated and in the interim please feel free to contact me direct at (412) 497-2421 if you have any questions regarding our application.

Very truly yours

James B. Cummings
