Re: Sole Source Status

Please allow me to offer the following information to clarify the source status of Accela, Inc.'s ("Accela") products. Accela, as owner and software manufacturer of Accela software products, is the sole source provider of technical support and maintenance for all Accela software products licensed to the City of Columbus, Ohio, including Accela Envision Land Management Project. No third-party vendor, company, or entity is authorized to develop new product features for, provide development services for, or to maintain these products.

Please do not hesitate to contact me directly if you have any questions or concerns. My telephone number is listed below and I am available by email at zdye@accela.com.

Sincerely,
