ADDENDUM A

Occasionally, customers have a need to move our SOFTWARE licenses to new HARDWARE, either due to HARDWARE failure or simply as a HARDWARE upgrade. DATAWORKS PLUS considers application upgrades as a part of our standard maintenance plan. However, system moves are not covered under the plan. Customer should contact DATAWORKS PLUS for pricing for system moves. Customers who need to move SOFTWARE/databases to new HARDWARE will need to do the following:

1. Contact DATAWORKS PLUS at **866.632.2780 x6731** for pricing and scheduling;
 2. Provide DATAWORKS PLUS with an equivalent HARDWARE solution as the original HARDWARE, with any SOFTWARE installed that was originally installed by the Agency;
 3. Provide VPN access to the new system and the old system simultaneously until the move is complete;
 4. Provide access to system backups and logs.
 5. DATAWORKS PLUS understands that some Agencies prefer to handle application license moves to customer owned HARDWARE without DATAWORKS PLUS assistance. In this instance, it is the Agencies responsibility to notify DATAWORKS PLUS so that maintenance coverage will continue for the license(s). The following information should be given to DATAWORKS PLUS to update license information on the maintenance record:
 - Previous machine name and IP
 - New machine name and IP
- DATAWORKS PLUS is not responsible for providing on-site assistance in the event of customer provided hardware failure.
- DATAWORKS PLUS is not responsible for engineering/development work to reconstruct corrupt databases due to customer-provided hardware failure, or failure due to viruses/malware.
- Customers who wish to schedule license moves and/or hardware upgrades may contact DATAWORKS PLUS for fees and scheduling.
- Customers may contact us for pricing for a maintenance uplift plan that includes software license moves.
- Our standard rates of \$180 per hour, 2 hour minimum, will apply for any installation or deployment related support issues after the initial training and installation for Kiosk.

ADDENDUM B – DECLINE OF MAINTENANCE

DATAWORKS PLUS regrets that your Agency will no longer continue with a standard maintenance contract and hope to work with you as a regular maintenance customer in the future.

Should you need assistance going forward, please note the Time and Materials process below:

- If technical assistance is needed, please contact DATAWORKS PLUS at 866.632.2780 x 3.
- DATAWORKS PLUS will open a ticket for your Agency and work to get you a quote for services.
- Your agency will be provided the information necessary so your agency can issue a purchase order for services. Typically, this purchase order will be for the two-hour minimum.
- Upon receipt of the purchase order, our technicians will connect to your site to determine the cause of the problem and an estimate of time for resolution.
- If the problem can be resolved during the two-hour minimum time-frame listed in the purchase order, we will proceed with the repair. DATAWORKS PLUS support technicians will contact your Agency before going above the time limit issued by your Agency.
- If the problem requires HARDWARE to resolve, DATAWORKS PLUS will issue your Agency a quote for the HARDWARE separately, provided the HARDWARE is not listed as obsolete by DATAWORKS PLUS. T&M agencies are responsible for shipping costs for the replacement HARDWARE.
- Upon closure of the ticket, DATAWORKS PLUS will issue an invoice with the purchase order given at the time of the initial call. Please note that agencies with current maintenance contracts will get priority in our support tracking system. However, we are happy to give agencies a time-frame for resolution.
- DATAWORKS PLUS does not provide on-site support for non-maintenance customers.
- DATAWORKS PLUS does not provide SOFTWARE upgrades for non-maintenance customers.

It is our desire to assist agencies in a timely fashion and to the satisfaction of those agencies. Please sign and return this letter along with your PO as acknowledgement to this agreement.
