**Re: Long Term Support Agreement**

Dear Mr. Peterson:

We appreciate your request to purchase a Long-Term Support Agreement from ACS. ACS systems are proprietary systems. Advanced Control Systems maintains the proprietary privileges to our products and services and there are no agents or dealers available to you for authorized sales, maintenance or support on our behalf.

ACS warrants that no other items or products are available for purchase that would serve the same purpose or function and there is only one price for the product and support line because of exclusive distribution and marketing rights. The Long-Term Support Agreement, and all product, and support of ACS systems is only offered to you through Advanced Control Systems.

Thank you again for your request and your interest in and support of ACS, our products and services.

Best regards,

**Advanced Control Systems, Inc.**
