### EXPERIENCE

**Columbus Public Health** – Columbus, Ohio 2017-Present  
Position: Health Commissioner

Duties: Chief executive officer for the Health Department of the 15th largest U.S. city with a team of nearly 500 public health professionals and more than 40 programs. Lead efforts to address critical issues in infant mortality, the opioid epidemic, tobacco use, gun violence and obesity and to impact neighborhood-based approaches that address the social determinants of health to decrease health disparities.

2006-2017  
Position: Medical Director and Assistant Health Commissioner  
Duties: Chief medical officer and spokesperson for the Health Department. Provided medical supervision and policy for all clinical programs, the Division of Population Health and the City of Columbus' Employee Assistance Program (EAP).

**Centers For Disease Control and Prevention** – Columbus, Ohio 2004-2006  
Position: Epidemic Intelligence Service (EIS) Officer detailed to Ohio Department of Health

Duties: Investigated outbreaks within the state of Ohio and conducted epidemiologic investigations. Evaluated surveillance program for influenza, analyzed data from Ohio's raccoon rabies program and from Ohio's Family Health Survey as well as provided communication between CDC and Ohio Department of Health.

**Baltimore City Health Department** – Baltimore, Maryland 2001-2004  
Position: Medical Director of Eastern STD Clinic

Duties: Oversaw the clinical functions of the clinic which included direct supervision of 6-8 mid-level providers and providing clinical services to clients. Responsible for continuing medical education for all STD clinic staff with weekly grand rounds. Instituted a hepatitis screening initiative within the STD program and was responsible for the new hepatitis vaccine program. Served as an instructor for the Prevention Training Center Region III.

**Johns Hopkins School of Medicine** – Baltimore, Maryland 2001-2004  
Position: Clinical Instructor

Duties: Provided clinical care to patients during episodic/acute care visits at the Moore Clinic one half day a week.
