EXPERIENCE

Executive Director, Franklin County Children Services

Columbus, Ohio

2011-Present

RESPONSIBILITIES: Manages all operations of the agency and is responsible for the activities of approximately 740 employees; organizes Children Services and staff so that goals and duties can be met efficiently and effectively within the context of the agency's mission; and provides managerial and professional leadership and coordination within the Agency so that priorities are met and desired results obtained.

Provides leadership in the community on behalf of the interests of children and engages public and private provider agencies in planning for a broad spectrum of preventive and treatment services for children; advocates on behalf of the needs and interests of children to various and diverse publics; serves as the Agency representative on various local, state, county and national committees and projects that are relevant to the mission of the Agency.

Develops policy and priorities and establishes programs that are implemented in accordance with the provisions of the Ohio Revised Code; develops and implements agency-wide planning and quality assurance mechanisms to assure that Children Services complies with applicable laws, rules, and standards.

Directs preparation of \$181 million dollar budget, approves expenditures, and manages the budget effectively, assuring that Children Services effectively carries out regulatory responsibilities and program standards and agency planning processes consistent with Board goals; and identifies and obtains additional resources as appropriate to enhance the ability to carry out the Agency mission.

Develops information systems and data bases in cooperation with state and local agencies to support planning, budgeting, quality assurance and management decision making by providing leadership to ensure Children Services computer hard-ware, software and equipment needs are met.

Executive Director, Madison County Department of Job and Family Services

London, Ohio

2000-2011

RESPONSIBILITIES: Administrative oversight of the following functions: public assistance, medical assistance, day care programs, adult protective services, child support enforcement, workforce investment, and child welfare. Strategically positioned the department to best meet the community's needs with changing operational conditions while maintaining compliance with all local, state, and federal regulations. Developed, implemented and monitored the annual budgets and collaborated with other departments and organizations at local and state levels to ensure that the most vulnerable citizen's needs were the focus of the department's efforts.

**Operations Specialist, Sunrise Assisted Living
Fairfax, Virginia
1995 – 2000**

RESPONSIBILITIES: Administrative responsibility for correcting multiple assisted living homes with operational problems; developed and implemented annual budgets and a strategic plan for the integration of new operating systems; recruited and hired all positions; responsible for ongoing marketing activities and census development for multiple homes; managed accounts receivable programs in multiple homes.

**Administrator, Manor Pines Convalescent Center (Marrinson Group Corporation)
Fort Lauderdale, Florida
1993 – 1995**

RESPONSIBILITIES: Administrative responsibility for a 206 bed skilled nursing facility with an annual budget of \$15,273,478 including operation of a central laundry department serving over 600 beds in five separate remote locations; responsible for maintenance and grounds services for six locations and the accounts receivable for two skilled nursing facilities with \$12,500,000 in annual receivables; managed the Environmental Service Department for a facility of 186,000 square feet; created and managed a purchasing and inventory system for four facilities; prepared all six facilities for State and Federal surveys.
