Orig: PO060735 & PO060753, Mod #1: PO078653, Mod #2: PO086718, Mod #3: PO119667, Mod #4: (legislation still in process)

5. **A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract. The planning area should also be listed as well as any street or neighborhood names.**

The work includes furnishing Construction Administration / Inspection services for the 2017 – 2019 fiscal years for Division of Sewerage and Drainage, Division of Water, Division of Power, and the Department of Finance and Management projects.

The work includes full-time or part-time services including resident project inspection for any specific project identified. In general, the consultant will respond to the contractor's requests for information, respond to inquiries regarding the interpretation of the contract documents, review contractors' claims for additional services and costs, review quality or materials/equipment substitutions and provide recommendations to the City, coordinate project submittals, schedule and chair progress meetings, and other services as directed by the City.

ORD #1970-2018

The original agreement included services for two Division of Water projects: General Construction and Acton Road Area Water Line Improvements.

Modification No. 1 included services for two Division of Power projects: Southeast Lions Park Underground Street Lighting Improvements and Livingston Avenue Underground Street Lighting Improvements.

Modification No. 2 included services for the Division of Power's McCutcheon Road Street Lighting Improvements project.

Modification No. 3 included services for the Division Water's Arcadia Avenue Area Water Line Improvements and 910 Dublin Road – Shower Room Renovations Projects.

Modification No. 4 includes services for the Division of Power's Milo Grogan Standard, Milo Grogan Decorative, and Third Avenue Decorative Street Lighting Improvements Project, UIRF No's: 440007-100013, 44000-100014, 440007-100015.

Modification No. 5 (current) includes services for the Division of Power's Valleyview Street Lighting Improvements Project.

Community Planning Area for Valleyview = 15 - Hilltop

*Future modifications are anticipated, but unknown at this time.

6. An updated contract timeline to contract completion.

- A. The original agreement allowed for a total term of how many years? 3 years (2017 through 2019)
- B. Which year of the total term is this modification for? Year 2 of the 3 year term.
- C. The expiration date of this agreement is unknown. This is a three-year agreement from 2017 through 2019. The specific duration of services on each project are negotiated between the contracting agency and the consultant. The duration of the Valleyview Street Lighting Improvements Project is 180 days.

7. A narrative discussing the economic impact or economic advantages of the project; community outreach or input in the development of the project; and any environmental factors or advantages of the project.

This work is being performed with the City of Columbus's goal to light every street. The addition of street lighting within the Valleyview area could provide both a sense of security and additional visibility on the roadways. This may also deter criminal activity, which would lessen the financial impact on city resources such as the Police and Fire departments. LED lighting technology will also provide energy and maintenance savings.

8. A description of any and all modifications to date including the amounts of each modification and the Contract Number associated with any modification to date. (List each modification separately.)
