item to be purchased is of a perishable nature  need to extend and existing contract  there is not enough time to obtain formal bids to satisfy need  non-price error on either the bidder's or the City's part in the bid proposal  a new law or regulation requires immediate compliance  X other Given the continuing projects with AT&T that are scheduled to be complete in 2019, the Department of Technology and the Purchasing Office consider AT&T to be the only feasible provider of the services.  2. Detailed explanation of reason (must be completed by division):  the Purchasing Office would like to waive the provisions of competitive bidding because the Department of echnology (DOT) is working with AT&T on their Voice over IP (VOIP) migration project. The project is scheduled to ecomplete in 2019. Long distance costs will significantly decrease once the project is complete.  3. Informal procedure used:  telephone quotations  written quotations  megotiations  Informal bids received and prices for each:  legotiations have been conducted with AT&T	The Pur Technol		item to be need to ex there is no non-price of a new law	purchased is of a perishable nature  tend and existing contract  t enough time to obtain formal bids to satisfy need  error on either the bidder's or the City's part in the bid proposal
