Jessica Martin Biography

Jessica Martin grew up in Central Ohio with her parents, who reside in Delaware County, and three younger brothers. Jessica graduated from Olentangy Liberty High School and Cedarville University.

She currently works for the State of Ohio as an Internal Audit Manager, providing assurance and consulting services to all cabinet level state agencies.

Mrs. Martin moved into the Shepard neighborhood in 2013 and immediately got involved in the Shepard Civic Association and community garden. When a pawn and weapons shop opened in the neighborhood, Jessica was involved in starting a weekly meeting that encouraged neighbors to get involved in peaceful initiatives and be engaged in the neighborhood.

After finding out about the North Central Area Commission and its impact and influence on economic development decisions in the area, Jessica agreed to fill the vacancy as the Shepard Area Commissioner after personally acquiring 50 petition signatures and talking to her neighbors about their community concerns. Shepard has a long history in North Central with former involved and influential commissioners like Dr. Rebecca Boyd and Douglas McDonald, who have been very valuable in providing advice and history as Jessica works to better the community as a whole.

Jessica Martin has served as a Commissioner since 2014 and is currently the Corresponding Secretary, Chair of Economic Development Committee and Co-Chair of Community Relations Committee.
