NOW, THEREFORE, in consideration of the foregoing and of the mutual covenants contained herein and other good and valuable consideration, the receipt of which is hereby acknowledged, and desiring to be legally bound hereunder, the parties hereto covenant and agree as follows:

Section 1. Special Assessments.

1.1 The Owner, prior to the execution and delivery of this Agreement, has signed and delivered to the Clerk of Council the Petition for the acquisition, construction, installation, equipping and improvement of the Project and evidencing the agreement of the Owner to the levy and collection of the Special Assessments as security for the Project Advance. The Owner agrees that its delivery of the Petition and the requests and agreements made therein are irrevocable and that the parties hereto have acted and will act in reliance on the agreements contained in that Petition. The City has duly enacted Resolution No. [____]-2018, Ordinance [____]-2018, and Ordinance [____]-2018 (the **Assessing Ordinance**) to provide for the levy and collection of the Special Assessments on the Property. The Clerk of Council certified (or caused to be certified) the Assessing Ordinance to the County Auditor as set forth in the Petition.

1.2 The City shall cause the Special Assessments, as set forth in the Assessment Schedule attached to the Petition, to be certified to the County Auditor on or before the last date for the certification of special assessments to the County Auditor pursuant to the requirements of Section 727.33 of the Ohio Revised Code.

1.3 In the event the Project Advance is prepaid or redeemed, in whole or in part, the parties shall, in cooperation with the Owner, and to the extent permitted by law, cause the aggregate lien of the Special Assessments to be no greater than the remaining principal of and interest and premium, if any, on the Project Advance through maturity.

1.4 To the extent that the Owner prepays any of the required payments pursuant to the Energy Project Cooperative Agreement, then the amounts of the Special Assessments shall be reduced in accordance with the Assessment Schedule attached to the Petition.

1.5 To secure payments made on the Project Advance, the City hereby assigns to the Investor all of its rights, title to, and interest in the Special Assessments to be levied with respect to the Project Costs. As long as the Project Advance shall be outstanding and amounts shall be due and owing under the Energy Project Cooperative Agreement with respect to the Project Advance, the City assigns to the Investor all of its right, title and interest in and to, and grants to the Investor a security interest in, the Special Assessments received by the City and in the City's related special assessment fund. The Investor, as assignee of the City, is hereby authorized to take any and all such actions as assignee of and, to the extent required by law, in the name of and for and on behalf of the City, to collect delinquent Special Assessments levied by the City pursuant to law and to cause the lien securing the delinquent Special Assessments to be enforced through prompt and timely foreclosure proceedings, including, but not necessarily limited to, filing and prosecution of mandamus or other appropriate proceedings to induce the County Prosecutor, the County Auditor, and the County Treasurer, as necessary, to institute such prompt and timely foreclosure proceedings. The proceeds of the enforcement of any such lien shall be deposited and used in accordance with this Agreement and the Energy Project Cooperative Agreement. The Treasurer, the City, the District, the Investor, and the Owner each hereby acknowledges, agrees with, and consents to those assignments.

1.6 The City, upon receipt of any moneys received by the City as Special Assessments, but in any event not later than 15 calendar days after the receipt of such moneys and the corresponding final settlement from the County Auditor, shall deliver to the Investor all such moneys received by the City as Special Assessments. The City's obligation to transfer the Special Assessments to the Investor shall be absolute and unconditional, and the City shall make such transfers without abatement, diminution, or deduction regardless of any cause or circumstance whatsoever, including, without limitation, any defense, set-off, recoupment, or counterclaim which the City may have or assert against the Investor, the Owner, or any other person; provided, however, that the City's obligation to transfer special assessments is limited to the Special Assessments actually received by the City from the County Auditor. The Investor may from time to time provide written payment instructions to the City for payment of Special Assessments by check, wire instructions, or other means.

1.7 Notwithstanding anything in this Agreement to the contrary, the Treasurer's obligations under this Agreement are not and shall not be secured by an obligation or pledge of any moneys raised by taxation. The Treasurer's obligations shall be limited to the moneys levied, collected and received in respect of the Special Assessments and any County-imposed collection fees, charges, or penalties. The Treasurer's obligations under this Agreement do not and shall not represent or constitute a debt or pledge of the faith and credit or taxing power of the County.

1.8 Notwithstanding anything in this Agreement to the contrary, the City's obligations under this Agreement are not and shall not be secured by an obligation or pledge of

any moneys raised by taxation. The City's obligation under this Agreement shall be limited to any moneys received from the County in respect of the Special Assessments and any County-imposed collection fees, charges, or penalties. The City's obligations under this Agreement do not and shall not represent or constitute a debt or pledge of the faith and credit or taxing power of the City.

Section 2. Foreclosure Process.

2.1 The Treasurer, the City, the Investor, and the Owner each acknowledge that the Special Assessments are to secure payments relating to the Project Advance, including the Project Costs and other amounts as provided under the Energy Project Cooperative Agreement. The Treasurer agrees that so long as the Project Advance is outstanding and the Project Costs thereon, and other amounts under the Energy Project Cooperative Agreement are secured, at least in part, by the revenues derived from the Special Assessments, upon the Treasurer's receipt of written notice from the Investor or the District, with a copy to the other of the Investor or the District and to the Owner and the City that an Event of Default (as defined under the Energy Project Cooperative Agreement) has occurred and is continuing and which notice directs Treasurer to foreclose on the lien of the Special Assessments, the Treasurer will, not later than thirty (30) days from the date of the receipt of such notice, file and diligently prosecute a foreclosure action against the Property, following the procedures for lien foreclosures established in Ohio Revised Code § 323.25 and related sections. The foreclosure action shall be to collect all Special Assessments then due and owing on the Property in accordance with the Petition. Without the prior written consent of the District and the Investor, the Treasurer will not confirm the sale of the Property for an amount less than 100% of the amount of the Special Assessments and other general real estate taxes, payments in lieu of taxes, and assessments then due and owing with respect to the Property, as shall be certified by the District to the Treasurer pursuant to the records of the Treasurer. All fees and expenses of the Treasurer in collecting the Special Assessments are to be included and paid for by the Owner.

2.2 The Treasurer hereby acknowledges that the City has assigned all of its right, title, and interest in and to the Special Assessments to the Investor, and that the District has assigned all of its right, title and interest in an to the Special Assessments to the Investor, and the Treasurer hereby agrees that so long as the Project Advance is outstanding and the Project Costs thereon and other amounts under the Energy Project Cooperative Agreement are secured, at least in part, by the revenues derived from the Special Assessments, the Treasurer will not sell or negotiate the sale of one or more Tax Certificates related to the Property for an amount less than 100% of the amount levied and certified for collection without the prior written consent of the District and the Investor.

2.3 The Treasurer hereby covenants and agrees that if any of the general real estate taxes, payments in lieu of taxes, assessments, including the Special Assessments, governmental charges, or penalties and interest on the Property are delinquent and the Delinquent Tax Lien Sale Act would permit the Treasurer to negotiate the sale of Tax Certificates with respect thereto, the Treasurer will, prior to giving any notice under the Delinquent Tax Lien Sale Act of a sale of Tax Certificates with respect to the Property, give written notice to the District and the

Investor regarding the same and state therein whether the Treasurer reasonably anticipates receiving no less than 100% of the general real estate taxes, payments in lieu of taxes, and assessments, including the Special Assessments, penalties and interest, originally levied and certified for collection plus other charges, including attorney's fees, or whether the Treasurer reasonably expects to receive less than 100% of the general real estate taxes, payments in lieu of taxes, and assessments, including the Special Assessments, penalties and interest, levied and certified for collection plus other charges, including attorney's fees, and in accordance with this Agreement is requesting the consent of the District and the Investor for such a sale.

2.4 The Treasurer agrees, on behalf of the County, not to utilize the authority contained in Ohio Revised Code Chapter 5722 to transfer any of the Property to the county land reutilization corporation, to sell or convey any of the Property to any political subdivision under the authority contained in Ohio Revised Code Chapter 5722, or to clear the liens and encumbrances applicable to the Property under the authority contained in Ohio Revised Code Chapter 5722 without the express written consent of the District and the Investor.

2.5 Nothing in this Agreement shall, or shall be construed to, prevent the Treasurer from selling one or more Tax Certificates with respect to the Property to a third party without the consent of the Investor and the District if the price received for the Tax Certificate or Tax Certificates equals or exceeds 100% of the delinquent general real estate taxes, assessments, including the Special Assessments, penalties and interest on the Property outstanding against the Property at the time of such sale.

2.6 The District and the Investor each hereby agrees that upon written notice from the Treasurer pursuant to Section 2.1 of this Agreement, it, within 30 days of receipt of the Treasurer's notice, shall give a written response to the Treasurer indicating therein whether it consents to the request for sale of a Tax Certificate or Tax Certificates.

2.7 No delay or failure of the District or the Investor to give a written response shall be construed to be a consent to such request or to be a waiver of the right to give such consent. No consent or refusal thereof by the District or the Investor in response to a request by the Treasurer shall extend to or affect any subsequent request of the Treasurer or shall impair the rights of the District or the Investor with respect any such subsequent request.

2.8 So long as the Project Costs are outstanding, the Treasurer hereby covenants and agrees (a) to remit to the Investor, as appropriate and as provided for herein, not more than 30 days from the date of collection by the Treasurer, all Special Assessments collected from the Property, including amounts collected from Tax Certificates; and (b) to the extent the Treasurer seeks and is appointed as receiver for the Property, as provided for in Chapter 323 of the Revised Code, after payment of reasonable fees and expenses of the Treasurer, all amounts collected by the Treasurer, as receiver for the Property and collected as a result of the Special Assessments, shall be remitted to the District.

Section 3. Indemnification by Owner

3.1 The Owner hereby releases the District, the City, the Treasurer, the Investor, and their respective officers, directors and employees (the **Indemnified Parties**), from, agrees that the Indemnified Parties, shall not be liable for, and indemnifies the Indemnified Parties against, all liabilities, claims, costs and expenses, including out-of-pocket and incidental expenses and legal fees, imposed upon, incurred or asserted against Indemnified Parties, on account of: (i) the levy and collection of the Special Assessments; (ii) any loss or damage to property or injury to or death of or loss by any person that may be occasioned by any cause whatsoever pertaining to the acquisition, construction, installation, equipment, improvement maintenance, operation and use of the Project; (iii) any breach or default on the part of the Owner in the performance of any covenant, obligation or agreement of the Owner under the Energy Project Cooperative Agreement, or arising from any act or failure to act by the Owner, or any of the Owner's agents, contractors, servants, employees or licensees; (iv) the Owner's failure to comply with any requirement of this Agreement; (v) the efforts of the City and the Treasurer to collect Special Assessments; (vi) any legal costs or out-of-pocket costs incurred by the District specifically related to additional approvals or actions that may be required by the District arising after the date of the Energy Project Cooperative Agreement (and in the case of such legal costs or out-of-pocket costs, agrees to pay such costs directly to the District); (vii) any claim, action or proceeding brought with respect to any matter set forth in clause (i), (ii), (iii), (iv), (v) or (vi) above, provided, however that the Owner shall not indemnify the Indemnified Parties as provided above to the extent that any liability, claim, cost or expenses arises out of or results from the willful misconduct or breach of this Agreement or the Energy Project Cooperative Agreement of the Indemnified Parties.

3.2 Unless caused by the gross negligence or willful misconduct of any of the Indemnified Parties, the Owner covenants and agrees, at its sole cost and expense, to indemnify, protect and save the Indemnified Parties harmless against and from any and all damages, losses, liabilities, obligations, penalties, claims, litigation, demands, defenses, judgments, suits, proceedings, costs, disbursements or expenses (including, without limitation, out-of-pocket third party attorneys' and experts' reasonable fees and disbursements) of any kind or of any nature whatsoever (collectively, the **Indemnified Matters**) which may at any time be imposed upon, incurred by or asserted or awarded against the Indemnified Parties and arising from or out of:

(a) The enforcement of this Agreement or the assertion by the Owner of any defense to its obligations hereunder (except the successful defense of actual performance not subject to further appeal), whether any of such matters arise before or after foreclosure of the Special Assessments or other taking of title to all or any portion of the Project by any of the Indemnified Parties or any affiliate of thereof.

(b) Other Indemnified Matters which shall include, without limitation, all of the following: (i) the costs of removal of any and all existing and future asbestos, polychlorinated biphenyls and petroleum products and any other hazardous or toxic materials, wastes and substances which are defined, determined or identified as such in any Laws (as hereinafter defined) (any such asbestos, polychlorinated biphenyls and petroleum products and any such other materials, wastes and substances being herein collectively called **Hazardous Materials**) from all or any portion of the Project or any surrounding areas (except that the indemnity provided for

under this Agreement shall not cover the costs of such removal unless either (a) such removal is required by any federal, state or local laws, rules or regulations (whether now existing or hereafter enacted or promulgated) and any judicial or administrative interpretation thereof, including any judicial or administrative orders or judgments related to Hazardous Materials (collectively, **Laws**), or (b) any present or future use, operation, development, construction, alteration or reconstruction of all or any portion of the Project is or would be conditioned in any way upon, or is or would be limited in any way until the completion of, such removal in accordance with any Laws), (ii) additional costs required to take necessary precautions to protect against the release of Hazardous Materials on, in, under or affecting the Project into the air, any body of water, any other public domain or any surrounding areas and (iii) costs incurred to comply, in connection with all or any portion of the Project or any surrounding areas, with all applicable Laws with respect to Hazardous Materials (clause (i), (ii) and (iii) above being herein collectively called **Corrective Work**). The Indemnified Parties each acknowledges Corrective Work may at times include the Owner's assertion and pursuit of indemnification and/or remediation by tenants or former tenants at the Project. Payments by the Owner under this Section 3.2 shall not reduce any of the Owner's other obligations and liabilities under this Agreement. Notwithstanding anything to the contrary contained herein, (a) the indemnity provided for under this Section 3.2 with respect to surrounding areas shall not extend to the costs of Corrective Work on, in, under or affecting any surrounding areas if the applicable Hazardous Materials did not originate from any portion of the Project, unless the removal of any Hazardous Materials on, in, under or affecting any surrounding areas is required by Law or by order or directive of any federal, state or local governmental authority in connection with the Corrective Work on, in, under or affecting any portion of the Project and (b) if the Owner no longer holds title to the Project as a result of a foreclosure sale, a sale pursuant to a power of sale or by a deed in lieu of foreclosure or otherwise, then the indemnity provided for under this Agreement shall not apply (i) to Hazardous Materials which are initially placed on, in or under all or any portion of the Project after the date the Owner ceases to hold title to the Project, and (ii) to payment of judicial awards (except awards for costs and expenses) which have been specifically rendered against Lender in any litigation.

Section 4. Additional Agreements and Covenants.

4.1 The agreements of the parties hereafter with respect to the foreclosure process shall be a covenant running with the Property and, so long as Project Costs are payable from or secured, at least in part, by the revenues derived from the Special Assessments, such covenant shall be binding upon the Property (except as released as provided in the Owner Consent), the Owner and any future owner of all or any portion of the Property. This Agreement, the Owner Consent, and all other required documents and agreements, shall be recorded with the Franklin County, Ohio Recorder's Office, so that the agreements of the parties hereafter with respect to the foreclosure process established pursuant to this Agreement is a covenant running with and is enforceable against the Property.
