NOTES:

1. The above prices do not include labor to support the installation of the flow monitors.
2. The above prices do not include any special, modified, or custom documentation or manuals that may be required. Standard ADS Environmental Services manuals, appropriate to the flow monitors delivered, are included with the equipment.
3. Sale of the above equipment and software is subject to acceptance of ADS Environmental Services Equipment Sale Agreement. Activation of software requires users to execute ADS Environmental Services Software License Agreement.
4. Acceptance of this proposal for the purchase of ADS Products constitutes your and/or your company's agreement to ADS' Standard Terms and Conditions of Sale found at <http://www.adsenv.com/equipmenttermsandconditions>. ADS' Terms and Conditions supersede any terms and conditions in any documentation submitted by you and/or your company as a buyer of ADS products.
