PLEASE INCLUDE A BRIEF BIO BELOW:

I was born and raised in central Ohio and currently reside in the Westgate area of Columbus' west side. Graduated with a business Management degree from Franklin University and have owned and operated Defining Skin Tattoo in Franklinton since 2015. My time is also split working as a licensed Realtor in property management and development with a focus on affordable housing in the Franklinton and Hilltop areas.

Elected to Franklinton's Area Commission in 2019. I sought a position in the Area Commission so that I could work closely with the residents and businesses of Franklinton. I am excited to provide any assistance and leadership I can to ensure that as the area grows, the best interests of its residents are always made a priority.
