BIO:

For the past 20 years, I have actively served the Westland area in positions focused on building and improving our community. I have served as a member of the Westland Area Commission since 1996, including 15 years as Chair of the Zoning Committee and 7 years as Chair of the Commission. I have an established record of leading efforts in planning, addressing critical issues of our neighborhoods and working cooperatively with neighborhood groups, residents, city officials and developers in the Westland Area. I also represented our community on the City of Columbus 21st Century Growth Task Force to examine ideas to promote job growth and ensure regional cooperation.
