Re: City of Columbus Graphics Commission

Dear David,

I would be most honored to submit my name for consideration for the re-appointment to the City of Columbus, Graphics Commission. I hold the position of CEO of the Columbus Sign Company, a family owned business, that is over 108 years old.

I have been employed full time with Columbus Sign Company since 1973. Currently, my brother and I are third generation owners of the company. My son, Eric Hoy, has recently become a partner in the business and represents a fourth generation. Columbus Sign Company has been established in Columbus since 1911. I hold a valid General Sign Erectors License for Columbus Sign Company.

After graduation from Walnut Ridge High School, I attended The Ohio State University for two years before deciding to pursue a sign industry career. I have been married for 46 years and have two sons. I am a member of Brookwood Presbyterian church and have held various church positions throughout the years. I am a lifetime member of the Downtown Sertoma Club, a service organization. I currently hold the position of vice president of the Central Ohio Sign Association (formerly known as Columbus Sign Contractors Association). I am also a member of the Executive Order of Ohio Commodores, appointed by the State of Ohio Governor.

I have been a resident within Franklin County my entire life.

Should you need any additional information or background, please let me know.

Mike Hoy
