Brief Bio: I moved to Columbus in 1987 and have actually lived in the Columbus community most of that period until I purchased my current home situated just beside Columbus proper located in Norwich Township.

I have been employed by the same company during that period (including the Leisure Lawn acquisition in 2000 by TruGreen).

Raising three children I was active in the Columbus community with their recreational sports. I coached children's football teams (Riverbend Raiders mini, Junior and senior divisions) for over seven years, baseball and Softball (Finland elementary), basketball at Franklin Heights sports complex. My business for Leisure Lawn was located originally on Stimmel Rd. 43223 and then we built our own facility in Columbus, 43026 on Nike Dr. also my current location of employment.

In the past I worked with Toys for Tots organization and would provide vehicles for the annual Christmas Parade downtown to store the children's coloring books that were sold for the Charity Newsie's for the Children's Network.

I have recently become involved in the Far West Side Area Commission meeting and felt a calling to become more involved in my community again and have applied for an appointed members position on the commission. I hope to be able to assist in improving our community and the quality of life for those who live within it.
