

EXHIBIT B: URBAN REDEVELOPMENT & PUBLIC INFRASTRUCTURE IMPROVEMENTS

The urban redevelopment and public infrastructure improvements include but are not limited to any of the following improvements together with all related costs of those permanent improvements (including, but not limited to, those costs listed in Section 133.15(B) of the Ohio Revised Code):

- Construction, reconstruction, relocation, extension, opening, improving, widening, grading, draining, curbing, changing of the lines and traffic patterns and other improvement of roads, highways, streets, alleys, bridges (roadway/pedestrian), sidewalks, bikeways, medians and viaducts accessible to and serving the public, and providing lighting systems, signalization, and traffic controls, and all other appurtenances thereto.
- Construction, reconstruction, installation or relocation of public utility improvements (including any underground municipally owned utilities), storm and sanitary sewers (including necessary site grading therefore), water and fire protection systems, and all appurtenances thereto.
- Construction, reconstruction, improving, and equipping of surface or structured public parking facilities.
- Construction, reconstruction, installation or relocation of gas, electric and communication service facilities and all appurtenances thereto.
- Construction or reconstruction of one or more public parks, including grading, trees and other park plantings, park accessories and related improvements, together with all appurtenances thereto.
- Construction/installation of streetscape and landscape improvements including trees and other plantings, tree grates, signage, curbs, gutters, irrigation, sidewalks, street and sidewalk lighting, trash receptacles, benches, newspaper racks, bike racks, relocation burial of overhead utility lines and related improvements, together with all appurtenances thereto.
- Storm water and flood remediation, together with all necessary appurtenances.
- Demolition and excavation, including demolition and excavation on private property when determined to be necessary for economic development purposes, and land acquisition in aid of industry, commerce, distribution, research, or affordable housing.
- Environmental remediation in connection with urban redevelopment.
- Acquisition of real estate or interests in real estate (including easements) necessary to accomplish the foregoing improvements, together with all necessary appurtenances.
- Construction, reconstruction, improving, and equipping of affordable housing projects; the acquisition of real estate or interests in real estate for affordable housing; or the purchase of affordable housing units.
