### STATEMENT OF HARDSHIP

Chapter 3307 of the Columbus Zoning Code

#### Section 3307.10 Variances by City Council

A. Permit a variance in the yard, height, or parking requirements of any district only in conjunction with a change in zoning or a use variance and only where there are unusual and practical difficulties or unusual hardships in the carrying out of the zoning district provisions due to an irregular shape of lot, topography, or other conditions, providing such variance will not seriously affect any adjoining property or the general welfare.

B. Permit a use of the property not permitted by the Zoning District established on the property if such use will not adversely affect the surrounding property or surrounding neighborhood and if Council is satisfied that the granting of such variance will alleviate some hardship or difficulty which warrants a variance from the Comprehensive Plan.

Before authorizing any variance from the Zoning Code in a specific case, City Council shall first determine that such variance will not impair an adequate supply of light and air to the adjacent property, unreasonably increase the congestion of public streets, increase the danger of fires, endanger the public safety, unreasonably diminish or impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus.

In granting a variance pursuant to this section, Council may impose such requirements and conditions regarding the location, character, duration, and other features of the variance proposal as Council deems necessary to carry out the intent and purpose of this Zoning Code and to otherwise safeguard the public safety and welfare

List all sections of Code to be varied and explain your reasoning as to why this request should be granted.

**PLEASE NOTE:** It is the applicant's responsibility to identify all variances required for the project. If any necessary variances are discovered after your application is approved, a new application will be required.

I have read the foregoing and believe my application for relief from the requirements of the Zoning Code contains the necessary hardship, will not adversely affect surrounding property owners and will comply with the variance(s) requested as detailed below (use separate page if needed or desired):

Signature of Applicant

  
Chris Eglar, Operations Manager

Date

**Council Variance Application**

827 E. Main Street

STATEMENT OF HARDSHIP

This statement of hardship is submitted in support of the applicant, Main 18 LLC's, request for variance related to the 3.62 acre property located at 827 E. Main Street. The intent is to continue to utilize the property to allow for managed parking as construction proceeds at the Nationwide Children's Hospital Campus.

The temporary parking lot is already in existence and was approved via CV16-055, Ordinance #2874-2016. However, the ordinance was conditioned on the use variance expiring three years from the effective date of the ordinance. The ordinance went into effect December 21, 2016, so it expired December 21, 2019.

The variance extension request is for the continuation of alleviating the hardships as it relates to traffic flow and parking for the general public in the residing area. The intent is to utilize the lot for managed parking as construction proceeds for Nationwide Children's Hospital. The variance extension request is for a duration of 36 months, which encompasses the duration through the next phase of Projects on campus which is inclusive of a new Research Facility. Research Building 4, will bring new jobs into the area and will continue to increase the well-respected reputation of Columbus's Nationwide Children's Hospital.

The following variances are being requested in order to continue to use the site as a temporary parking lot:

- 1) C.C.C. Section 3351.03 C-1 Permitted Uses
- 2) C.C.C. Section 3372.604 Setback requirements
- 3) C.C.C. Section 3372.607 Landscaping & Screening
- 4) C.C.C. Section 3372.609 Parking & Circulation
- 5) C.C.C. Section 3312.21 Landscaping & Screening
- 6) C.C.C. Section 3312.39 Striping & Marking
- 7) C.C.C. Section 3312.43 Required Surface for Parking

**Variance 1. Section 3351.03 C-1 Permitted Uses**

Despite it being granted before, temporary parking is not one of the uses listed under this “C-1” zoning appointment. We request to be permitted to utilize this lot for parking purposes.

**Variance 2. Section 3372.604 Setback requirements**

Our main objective for this lot is a maximized parking capacity. Hence we are requesting the minimum five foot setback for parking be decreased to zero feet.

**Variance 3. Section 3372.607 Landscaping & Screening**

We are requesting the use of Chain link fencing rather than the more long-term/permanent fencing options such as masonry, metal tube or metal bar options stated.

**Variance 4. Section 3372.609 Parking & Circulation**

Considering our intentions and the fact that we won’t have a principal building, we request the lot in its entirety be permitted the purpose of off-street parking.

**Variance 5. Section 3312.21 Landscaping & Screening**

We don’t plan to install the landscaping & screening items stated, as our projected use for the lot will be parking space. It would prove to be counterintuitive to our need for maximized parking area.

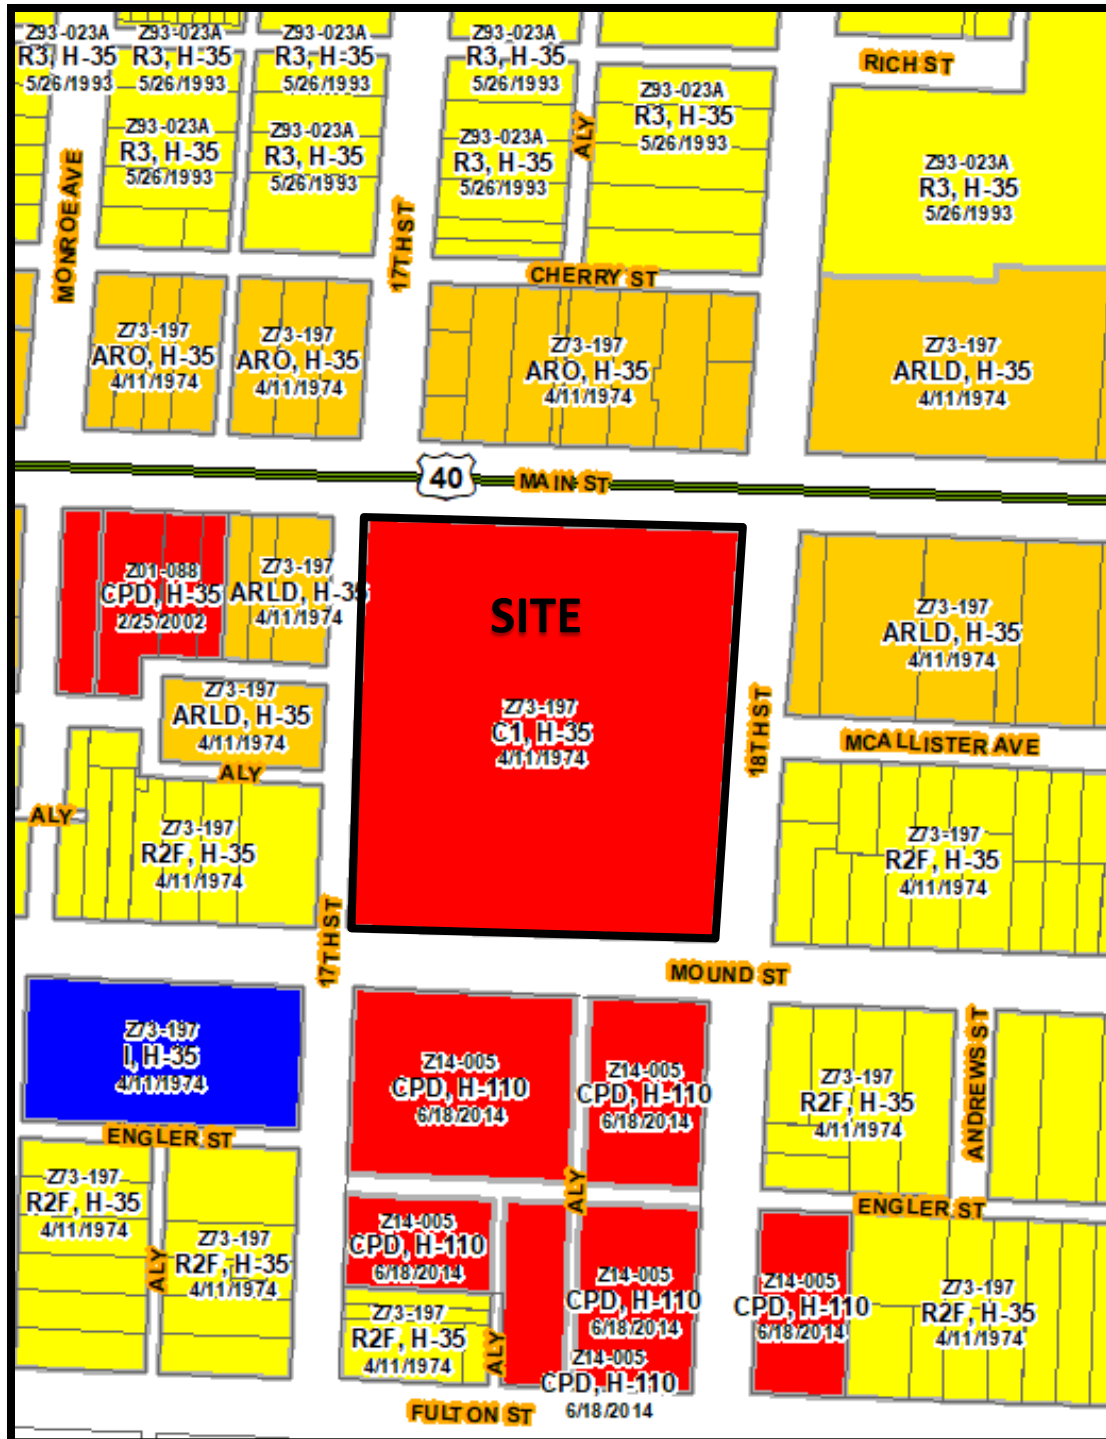

**Variance 6. Section 3312.39 Striping & Marking**

Our plan is for the lot to be gravel surface, this is our reasoning for not implementing striping and markings.

**Variance 7. Section 3312.43 Required surface for parking**

We request to be permitted to install a gravel surface on the lot for our purposes.

In conclusion the granting of the variances listed will alleviate expected hardships while not imposing on the general public residing in the area nor the traffic flowing through it.

**Importance:** High

Hello -

The Near East Area Commission (NEAC) voted unanimously (10-0-0) to support CV20-25 for 827 E. Main Street. The vote took place at the June 2020 NEAC General Business meeting. The variance will continue the arrangement between Nationwide Children's Hospital (NCH) and the property owner to allow NCH use of the property while NCH completes several development projects. NCH has a very positive track record on the Near East Side.
